### "As Homelike As a Barn"

Cy Hartman finally got his new barn painted, but plenty of folks had a hand in it. Whenever someone got a free day, or a little extra time, they'd come over and help out with paint and brush.

And Cy, to show his appreciation, held a big "barn warming" Saturday—for all the folks who'd helped him (but not those who couldn't). Mr. Hartman supplied sandwiches, and Cy rolled out a mellow keg of beer.

You'd never think of a barn as "homelike." But with those lanterns hanging from the rafters; make-shift tables spread heavy with food; and Ed Carey's fiddle playing while the folks enjoyed their beer—Cy's barn was sure a mighty hospitable-looking place!

From where I sit, it's just about as appropriate to have a barn warming as a housewarming... if only because it's another chance to get neighbors together in a spirit of good fellowship.
