FIRST CHURCH OF CHRIST, SCIENTIST PRESIDENT

Mrs. Helen Chaffee Elwell, C. S., of East Hebron, New Hampshire, and Boston, Massachusetts, is a local member of The Mother Church. The preparatory years of her education were in New York, followed by the completion of her schooling in the City of Washington.

Christian Science first came to her family in the Philippine Islands and her father, Lieut. Gen. Adna R. Chaffee, was Military Governor, following his command of the international forces in China during the Boxer Rebellion, and prior to his becoming Chief of Staff of the United States Army. The study of the Christian Science textbook, and witnessing the healing power of Truth for members of her family, satisfied Mrs. Elwell that Christian Science, as revealed by Mary Baker Eddy, was the reinstatement of primitive Christianity as taught and demonstrated by Christ Jesus.

Mrs. Elwell became a member of The Mother Church in 1913, receiving class instruction in the same year. She has had membership in several branch churches as her travels permitted. Upon residing in Boston, she entered the public practice of Christian Science in 1923. She was for five years Assistant Superintendent of The Mother Church Sunday School, and for four years a member of the Christian Science Bible Lesson Committee. Mrs. Elwell has just completed a term of three years' service as Second Reader in The Mother Church.

Graduating Class, Farmington High School, 1947

CLARENCEVILLE NEWS

 By MRS. AXEL RUTILA
TELEPHONE FARM. 1124-M

Congratulations and good wishes of the entire community go out to the Seniors of this year's graduating class. A large gathering of friends and relatives were present Sunday evening at Baccalaureate exercises at the Methodist Church. The prom of Friday evening at Botoford Inn, and the Junior Banquet in their honor on Tuesday evening, also held at Botoford, were both grand affairs.

Mr. Clarence Billing of Middlebelt and Mrs. William Schultz of Inkster Road have undergone surgical operations lately. The best wishes of the community go out to Mr. Billing and Mrs. Schultz. The Memorial Day parade committee thanks all those who helped to make our Third Annual Parade the success it was.

Miss Sylvia Miller, bride-elect of June 7, was the guest of honor at a bridal shower given by Mrs. Eva Holmes, Mrs. Wilbur Tucker and Mrs. William Shepard at the Tucker home on Floral Avenue Wednesday evening, May 25. Little Cheryl Nelson, daughter of the Hazen Nelsons of St. Francis, celebrated her third birthday on Saturday in the company of little friends and relatives.

Miss Doris Laehn, who teaches at Jefferson Intermediate School in Detroit, spent the long week end at the home of her parents, Mr. and Mrs. William F. Laehn on Eight Mile Road.

Mrs. Charles Meyers was hostess to the Band Boosters Club at their bi-monthly meeting last Tuesday.

The Charles Broombaugh family of Fremont were hosts to the 60 members of the graduating class of Herculaneum, Missouri, High School, accompanied by the super-

intendent, Saturday night and Sunday morning, on their return trip from a nine-day trip to Washington, D. C., New York, Philadelphia and other Eastern ports, also seeing Niagara Falls under night lights. They traveled via three school buses, and a fully equipped trailer kitchen, manned by four of the mothers of the students. One of the girls, a cousin of Mrs. Broombaugh, was successful in her trial as a powers model, and returns to New York for employment. This project was commenced by the graduates of 1939, had to be discontinued during the war, but was resumed again in 1946.

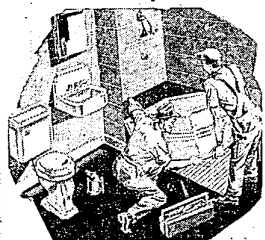

The Cub Pack meeting for May was unusually entertained with Indian head-dresses, costumes and skits as the theme. Don 1 stole the show with their authentic Tribal Dance skit accompanied by the Duke Don Chief on a regular Tom-Tom.

The Girl Scout committee met on Monday night to complete plans for Day Camp. There is an urgent need for a registered nurse, or an advanced first aider, to be present at Day Camp, to be held on the Doherty property June 16, 18, 19, 23, 25 and 26, the dates of this year's Girl Scout encampment which is open to all girls whether they are Girl Scouts or not. The Day Camp workers from Clarenceville, Farmington and Southfield are meeting with Mrs. Ruslander on Wednesday and Thursday at Nine Mile and Beech Roads for training in fire building, outdoor cooking, camping, nature and other phases of activity.

Mr. Tom MacArthur of Detroit was on hand at the troop meeting of Boy Scouts of CL 2 last Wednesday evening to teach knot tying in their pioneer work, which he learned while in the Merchant Marine. Mr. Thomas Allen previously lectured on his hobby, carrier pigeons. He told how the army used 25,000 during the war, securing breeders from amateurs, as himself. Mr. Allen and his boys belong to a Detroit club, and about every week are engaged in a race, the birds being mailed to a destination by the club, clocked for eight days, and released, and when they return home the clock, now in Mr. Allen's possession, is stopped and the tape sent in to the club, thereby determining the winner.

School's out and for a few months we mothers won't hear in the early morning, "What will I wear" and "Where are my clean socks". In other words, the Merry-Go-Round this family has been riding will stop but not completely until the month of July, when Day Camp and the Washington trip are over.
