customers and 12 cents for extended area customers.

Furthermore, if new rate treatment is proposed on calls between here, Northville, and Walled Lake which would provide for a reduction in charges to users without extended area service. Calls to those places, which now cost 19 cents, would be made at no extra cost by residence extended area subscribers and would be reduced to 5 cents for business and residence local area customers.

Under the company's proposal, monthly telephone rates here would be increased as follows:

Residence, local area, for unlimited calls within the Farmington zone only — Individual line, from \$1.75 to \$3; two-party line (formerly offered only to extended area customers) would be \$2.25; four-party and rural lines would be discontinued.

Residence, extended area, for unlimited calls to Farmington, Southfield, Livonia, Longshore, Walled Lake, and the northwest area — Detroit — Individual line, from \$2.25 to \$3.75; two-party line, from \$2.75 to \$3.

Business, for unlimited calls within the Farmington zone only — Individual line, from \$2.30 to \$5.50; two-party, four-party, and rural lines would be discontinued.

"In setting up the rates for the Detroit suburbs," MacLachlan said, "Michigan Bell will propose a standard schedule divided into 7 groups according to the number of main telephones within a zone's local calling area. The groups range from 10,000 to 100,000 in the first group, 100,001 to 250,000 in the seventh group."

Farmington, where the number of telephones is expected to be well over 3,000 when proposed rates become effective, would fall into the next lowest rate group, applicable to suburban exchanges with 3,001 to 6,000 telephones. In addition to Farmington it would include Charter Line, Livonia and Trenton.

Because there is still a backlog of unfilled orders for telephone service and a shortage of outside cable and wire plant, MacLachlan said higher rates would not go into effect for present subscribers of 4-party and rural residence service or multi-party, business service until the higher classes of service are available.

MacLachlan emphasized that the proposed standard rate schedule would clear up rate inequities now existing between communities of comparable development.

A Commission order of 1939, establishing the Detroit District Exchange, stipulated that existing local service rates for each exchange to be included in the district should continue in effect. Subsequent rapid growth of certain areas has resulted in unequal rates between exchanges of comparable size today.

Farmington users, he added, have been paying rates for years that are on the low side when the telephone development and calling opportunity within the exchange are taken into consideration.

Of the \$10,000,000 rate increase sought by the company, \$408,000 would apply in upward local service adjustments in Detroit suburban exchanges; \$2,655,000 in the city of Detroit; \$3,051,000 in suburban exchanges; \$2,202,000 in increased charges for long-distance calls within the state, and an increase of \$1,384,000 in miscellaneous service items such as switching and equipment charges.

Proposed changes in the intra-state long-distance rate schedule are:

1. A maximum increase of 5 cents over present charges for distances from 10 to 115 miles.

2. Reduction in the initial calling period, before overtime charges from the present 5 minutes to 3 minutes for distances from 11 to 30 miles.

3. An increase in overtime charges from the present 1/2 to 1/3 of the initial period rate.

4. Revision of the discount on night and Sunday rates from the present 35 per cent to 20 per cent under the day rates.

5. Increase in the minimum differential in person-to-person rates over station-to-station charges from the present 35 per cent to 40 per cent.

and came in strong to score three runs in their fifth. Lahr got a home run with none on to start the rally. Werschling singled and Dwyer was safe at first on an error. McLean caught with a long triple scoring both Werschling and Dwyer.

Clarenceville ended the scoring by getting a run in the eighth inning when Yackley and Delling both singled and Yackley got home on a wild pitch.

Ryer pitched for Farmington and was credited with striking out 11 batters while allowing only 4 runs on 8 hits. DeLavilla was the Senior Legion catcher. Clarenceville used three pitchers, McKelvey, Wiltaker and Bird. Miller was the Clarenceville catcher.

Farmington will meet Garden City Sunday afternoon at Garden City Mills Park. The Senior Legion Nine must win this game in order to qualify for the Red and White Division play-offs. Farmington has won 5 games and lost 5 thus far this season while Garden City has won 10 and lost 5. The game will begin at 5 p.m.

July Bride

(Continued from Page One)

Her attendants were Miss Virginia Condit and Miss Florence Khoury. They were gowned in summer chiffon and lace, and carried talisman roses. The bride's little niece, Martha Khoury, acted as flower girl.

Best man was Edmund George, and two older brothers, Ernest and Edward, arrived from Boston, Massachusetts, to serve as ushers.

Out of town guests included an uncle and aunt of the bride, Mr. and Mrs. J. Fayad, of Cleveland.

FLORENCE GARCHOW IS BRIDE OF HAROLD WOODCOCK

A wedding of interest to Farmington took place Saturday evening, July 12, at St. Paul's Lutheran Church, Eight Mile and Middlebelt Roads, when Florence E. Garchow, daughter of Mr. and Mrs. Elmer W. Garchow of Eight Mile and Harold V. Woodcock, son of Mr. and Mrs. W. A. Woodcock of Long Beach, Mississippi, were united in marriage.

The ceremony took place before an altar decorated with bouquets of white summer flowers, palms and candelabra. Preceding the ceremony Mrs. Lucille Brassow sang two selections.

The bride's gown was fashioned of white nylon chiffon, designed with a fitted bodice, sweetheart neckline and a full skirt, ending in a long train. The long sleeves ended in points over her hands. Her fingertips were caught to her head with a cap set with mock orange blossoms. She carried a bouquet of white roses, cascading to the floor.

Dorothy Trapp, as maid of honor, was dressed in yellow. Bridesmaids were Mrs. Robert Errar (Bernadine Trapp) wearing green, and Corinne Garchow, dressed in lavender. Junior bridesmaids, Donna Garchow and Lois Garchow, sisters of the bride, were dressed in blue and pink, respectively. All of the bride's attendants wore gowns similar in style to that of the bride, with double ruffled sleeves, and skirts fashioned with double ruffled bustles.

Marvin Trapp of Northville acted as best man. Seating the guests were Don Kimmel of Salem and Walter Garchow of Detroit.

For her daughter's wedding, Mrs. Garchow wore a pink flowered crepe dress, and a corsage of roses. Her mother-in-law wore a brown flowered crepe dress and a corsage of roses.

A reception for about one hundred guests was held at the home of the bride following the ceremony. For going away, the new Mrs. Woodcock wore a pink linen dress and white accessories. Her corsage was of white roses.

The bride is a graduate of Farmington High School. Mr. Woodcock spent 34 months in the Navy, and served in the South Pacific area. He was employed for some time at the Ford Motor Company, locally, and later was transferred to Detroit. While working in Northville, he lived on East Main Street. The newlyweds will reside with the bride's parents until their home is completed.

Engagement Announced

Mr. and Mrs. James D. Hanes of Mason, Michigan, announce the engagement of their daughter, Dorothy Robinson, to Richard Sills, son of Mr. and Mrs. Charles Sills of Grand River Avenue.

The wedding will take place some time in August.
