Mrs. Ralph Gallagher of Ontonagon entertained at a "Compassionate" party last Wednesday morning for the benefit of the Edgewood Mothers Club. Mrs. Ralph Lorenz supplied transportation for the guests, some of whom would have been unsightly pedestrians except for the fact that they had a ride. Mrs. Gallagher gave prizes for the luckiest, funniest, etc.

The Band Boosters Mothers Club held a family picnic at Cass Benton Park on Sunday, July 27. A few families made the grade for breakfast.

Disappointment is running high in the school set following the election on Monday at which the proposition for a new gym was turned down. The volunteer workers at the school are also greatly disappointed, as they have been carrying on activities under extreme handicaps. There are no facilities for handling gatherings of any size in the district, a situation which has created many hardships on those who have so willingly worked on school affairs. The volunteers have pledged themselves to put forth every effort to see that the proposition is presented again to the voters as soon as possible, and this time they intend to band together to see that the question is carried.

The teenagers, some of them former Boy Scouts, have been camping the past month. Albert Boltho, Jim Anderson and Art Hocking chose an area around Sault Ste. Marie, and at the present writing, Carl Bailey, Clifford Culham, Larry Pink and the Westernman boys are vacationing at Caswell, Michigan.

Mrs. William Dwyer of Arlington Drive entertained at a pot luck luncheon for the benefit of Our Lady of Sorrows Circle, Daughters of Isabella, last Thursday.

Little Ann Fredericks of St. Francis was given a birthday party by her parents, the Bill Fredericks, at their summer home on Lower Pettibone Lake.

The community was again saddened by the untimely death of Mrs. William Shaw of Oxford Road, who has been a resident of Clarenceville for many years. The sympathy of the people goes forth to her family.

Mrs. Leonard Monetti's brother, Frank Monetti and his family, have returned to their home in San Diego, California, after a lengthy visit here.

Mrs. William Fisher and her daughters, Edna and Margaret Ann of Rensselaer, have returned from vacationing with friends in Chicago, Illinois.

Patricia Sore of Memphis, Michigan, has returned home after spending a week as the guest of the

Arnold Rutillas. The P.T.A. under the chairmanship of Mrs. Scanlon have commenced their summer round-up of those children entering kindergarten this September.

Mrs. and Mr. George Haskell and daughter, Harriet, visited with relatives in Saginaw and Bay City last week end.

Earl Parsons and Larry Christensen have joined the Army and are stationed at the present writing, at Fort Knox, Kentucky. From the large numbers of young men enlisted from our district, we feel the services of our country are being held at maximum strength.

Last Friday evening this family attended the Milford High School band concert and during the announcements given by the band director we heard the name of Clarenceville mentioned as being a guest this Friday evening at the Oakland County Fair. Your correspondent hopes the sign posts marking our town will soon be forthcoming — we need that publicity.

Mrs. Cal DeVoll of Roosevelt was hostess to the members of Our Lady of Sorrows, All Society at their August meeting.

Edith Pink is spending this week in the company of a number of girl friends at a cottage at Lake Orion.

Mrs. and Mr. David Ryall have returned home after spending several days in Hamilton, Ontario, where they attended the wedding of their grandson. Their daughter, Mrs. McIntosh of Hamilton, returned with her parents.

Mrs. and Mr. Nathan Kirby of St. Francis entertained a number of their neighbors in honor of their little son on his first birthday anniversary.

Mrs. Henry Robertson and Mrs. Violet Wells spent the week end in Vassar, Michigan, with Mrs. Robertson's relatives in Gullford while there. Mrs. Robertson received word that the William Lawrance family have arrived safely in Alberta, Canada, after their long drive.

The Fred Ballerays spent last week end in Caswell on Saginaw Bay. This old sage is passing along the following information for what it is worth. Get the youngsters onto the lake for a week, and they will become deep water swimmers in such a short length of time you won't think it possible! We parents owe our youngsters such an opportunity.

News and Comment from Congress
George A. Dondoro

Civil and Spanish American War Veterans and their children: Congress very recently passed legislation (H. R. 3951) increasing by twenty per cent pensions to veterans of the Civil and Spanish American Wars and their children. The estimated cost will be \$35 million a year.

Terminal leave bonds: Another piece of legislation of interest to the veterans was the passage of a measure to allow veterans of World War II to cash their terminal leave bonds after September 1, 1947. Approximately \$15 billion worth of bonds are outstanding. The deadline for filing claims was extended one year to September 1, 1948. The redemption of the bonds will reduce the public debt by an equivalent amount, and at the same time make the money available to the veterans at once.

Housing: The Senate approved President Truman's Reorganization Plan No. 3, by a vote of 47 to 42, thereby making it a law. It was rejected by the House earlier in the session. The plan sets up a super bureau known as the Housing and Home Finance Agency, to which will be transferred nearly all the government's permanent and emergency housing activities. It will preside over the Home Loan Bank Board, the HOLC, and Federal Home Loan Bank; the FHA; the Public Housing Administration, and a few other temporary agencies.

Aviation Council: In the last days of the session, Congress sent to the President for his signature a measure creating a ten-member Congressional Aviation Board to encourage the development of a national aviation policy. The Board will be composed of five members of each House and is to study the whole field of national aviation.

Justification for cut in appropriations: The record shows that Congress was justified in cutting appropriations for the Army, when one takes a look at its extravagance.

Mr. and Mrs. Arnold Miller on Eleven Mile Road entertained with a pot luck picnic dinner Sunday on their lawn in honor of their father, John Graham, of North Farmington, and Lemuel Irving of Nine Mile Road, both of whom have birthdays during the first week in August. Those enjoying the dinner were John Graham, Mr. and Mrs. Lemuel Irving, Mrs. Mary Carey, Mrs. Bessie Miller, Mr. and Mrs. Roy Songer, Mr. and Mrs. William Hollis, Mr. and Mrs. Clyde Graham and children and Norman Graham.

Mrs. Lenore Hollis of Ann Arbor was the guest of her brother and sister-in-law, the Lemuel Irvings, over the week end. During her visit she called on many of her schoolmates of the Thayer school on Nine Mile Road, and other friends of this locality where she formerly made her home.

Mrs. Pierce Van Camp and children, Garrett and Gretchen, returned from vacationing in Minneapolis. While there they attended the celebration of the 50th birthday anniversary of Mrs. Van Camp's mother.

Mr. and Mrs. David Ryall have returned home after spending several days in Hamilton, Ontario, where they attended the wedding of their grandson. Their daughter, Mrs. McIntosh of Hamilton, returned with her parents.

Mrs. and Mr. Nathan Kirby of St. Francis entertained a number of their neighbors in honor of their little son on his first birthday anniversary.
