# BAILEY REPORTS INCREASE IN FARM TRUCK ACCIDENTS

TRUCK ACCIDENTS

The markeding of farm products means peak service for farm trucks and increases are now owned by farmers, points out Karl D. Bailey, county agreetuitural agent.

The number of farm trucks reported in 1945 shows more than 40 per cent gain over 1940, and reports of the National Safety Council also show that farm motor vehicle accident fatalities are increasing rapidly: The seven thousand farm residents killed in motor vehicle accidents during 1946 represent a 27 per cent increase over 1945. In addition, there were \$25,000 non-fatal farm motor vehicle injuries during 194 and increases over 1945. # Your Hudson dealer is a

That motor car of yours deserves the best kind of service:

If it's new, good care now will save you money later, and let you enjoy your car longer. If it has served you long, careful service attention now will help preserve its value for trade in.

Those are two reasons why your Hudson dealer is a good man to know. He is an established, independent business man with a reputation for efficient operation. His men are trained to give you Hudson Protective Service. He has a well-balanced stock of genuine Hudson parts. There you have four more reasons why you should see your Hudson dealer, for a new car, used car or service on your present car.

A Hudson Dealer to serve you wherever you go

Wherever you go, you're never far from this sign which identifies author-ized Hudson dealer and service establishments.

Whenever you drive in a Hudson dealer's place of business, you get the friendly attention and skilled services of one of more than 3,000 dealer-ships qualified under the most exacting standards in Hudson's 38-year history.

Hudron has one of the ergest, soundest organi-stions in the industry!
