25 INJURED NEAR ST. PAUL

Sr. PAUL, MINN. — SOUNDPHOTO — 25 persons were injured when a Soo Line passenger train and a Northern Pacific freight coilided the freight and the steam locomotive of the passenger train telescoped. This photo, taken from the freight toward the passenger train, shows the strewn wreckage that resulted from the crash. Several cars de Tanish and the steam locomotive of the passenger train, shows the strewn wreckage that resulted from the crash. Several cars de Kenny Foundation of Michigan, 606 ratiled but remained upright.

WASHINGTON DIGEST . . .

(Continued from Page Two) (Continued in Face to the American American March 1988) Has edge enough to pull through. While no formidable "stop Dewry" movement is evident — the fact that Taft tossed Warren of Calfornia a whole bowl of roses, took

Now York — seemed to indicate head that there might be some concerted that there might be some concerted the serious contenders. And, of course, there are always the favorties some whose supporters always hope arainst hope to get together in a "Stop Dewey" effort.

One thing about Dewey, however, is that he appears to be able favorties the present, he has gained in velocity without having to reach too agrid arback for this preside. He sability Similar to the present, he has gained in velocity without having to reach too

locity without naving to reach too far back for his prestige. His ability to contend seriously in 1938 (he was just 36 then) stemmed almost dif-rectly from his spectacular gaug-busting but he didn't depend entire-

hasting but he didn't depend entirely on that for his second attempt in 1942. His home became the governor's manelon in Albany as a result of his cumulative power. Dewey's opponents point to what they call a "blank" record as governor. The Democrats say that about all he did was to cash in on a number of progressive steps taken by his predecessors clear hack to Al Smith. While It is true that he has increased his political stature, moving standily stature, and the second of that he has increased his political ratature, moving steadily and attended and teadfastly toward his goal—the White House—he has at the same time been accused by his opponents of leaning over backwards to avoid doling or saying anything that might prove an obstacle toward that goal.

This thought was put into concrete form in a recent resolution passed by the New York state industrial Union council (the official Clo body white represents all lite.)

THE CIRCUIT COUNTY OF THE COUN sacrificed a highly lucrative post-tion for the pure joy of criminal prosecution. First, when after mak-ing a good record on the staff of the United States district attorney, he postponed returning to private practice in order to prosecute Muni-

MSC Names Committee For Grain Conservation

Michigan State college has no work with state and federal of to work with state and federal of-ificials on the program to save cer-cals. Dean E. L. Anthony of the school of 'agriculture named the committees to work with H. J. Wyn-garden, MSC economist, recently named by Governor Kim Sigler to head the Michigan committee. The college committee will be composed of Dr. Clifford M. Hardin, agricultural economist, chairman; Goorge Brown, head af the animal

arricultural economist, chairman; George Brown, head af the animal husbandry department; Dr. Earl Weaver, head of the dairy department; J. M. Moore, extension poultryman; Richard Bell, extension fram crops specialist; Dr. H. B. Tukey, head of the borticulture department; Dr. Arthur B. Maueli, agricultural economist; Nornan Smith, farm management specialist and Miss Roberta Hershey; home economics food and nutrition specialist.

Catching First Fish
Fish were first caught with the bare hands and the Persians were the first to add fish to their diet.

cipal Court Judge Hunstler, without pay, for the American Bar Association; then, when he accepted the position as deputy district attorner at \$16,000 a year to go after Dutch Schultz, Lucky Luciana, et al. He is quoted as saying once that he would rather prosecute criminals than eat.

cheese the state of the st

under the entirmanaly of Chaines
Facts: We American are eating
more meat than we did in 15:39. The
1946 record was 15:28 pounds per
capita, compared with 12:23 pounds
in 1939. Fresh and processed fruit
were consumed in 1946 at a rate 36
per cent higher than 1939. The
food consumption in 1947 is estimated at 17 per cent above pre-war.
The bell is toiling in Europie.
Every country there is aufforing
from dietary deficiencies. Self-sacrifice here will be a small price to
pay.
