AAA COMMITTEE BALLOTS TO BE MAILED THIS WEEK

Official ballots to be used in the annual election of AAA Community Committeemen are being mailed to eligible farmer-voters in Oakland County, according to Walter R. Cook, Chairman, of the Oakland County AAA Committee.

Farmers will have until December 24 in which to mark their ballots according to their choice and return the ballots, either by mail or in person, to the County AAA office, 320 Hubbard Building, Pontiac, Michigan.

An impartial election board of three members has been selected by the County AAA Committee to supervise the counting of the ballots on December 26, Mr. Cook said. This board will be composed of the following members who have volunteered their services in the public interest: Fred Beckman, Secretary Treasurer; Pontiac Production Credit Association, Pontiac; Harry Grant, Secretary Treasurer, Pontiac Insurance Company, Pontiac, Michigan; and S. C. Chamberlain, retired farmer, 69 Lincoln Avenue, Pontiac, Michigan.

Names of nominees for the following offices will be placed on the ballot to be mailed to each eligible farmer: chairman of committee; vice chairman of committee; third member of committee; alternate to committee; delegate to county community committee election convention and alternate delegate to county committee election convention.

The county AAA election convention will be held in Pontiac on December 30 for the purpose of electing a county AAA Committee to serve during 1948.

Approximately 1200 farmers in Oakland County are eligible to vote in the election. Mr. Cook said, "An eligible farmer is one who is participating in the 1947 agricultural conservation program or the sugar program, or one who has a contract with the Federal Crop Insurance Corporation. This includes owners, operators or tenants on eligible farms."

The public is most cordially invited to attend.
