## Tom McKay Spins Platters

The "So you want to be a disc-jockey" contest sponsored by John Shapiro's record program on Station WXYZ was entered by Senior Tom McKay on Saturday night, January 1.

Participating with witty remarks, Tom played three records for Krupa, Billington and Sinatra. His taste has a "hot" trend.

For being on the program, Tom received an Artie Shaw record album. When the winner is announced Friday night, he will be awarded a wrist watch. Tom's friends will be listening.

### EXAMS ARE COMING

Two weeks of regular work after Christmas vacation, then semi-annuals cast their shadow on our door. They are always important. And to seniors, they have a greater significance than ever before.

In the first place, seniors who plan to go to college will find their last semester exam marks carry tremendous weight in their college entrance applications. In one or two cases, some seniors may find that their mid-year grades determine "whether they are or whether they aren't."

In the second place, first semester marks will have a great bearing on whether seniors will be excused from last semester tests. A little work now can save a lot of work later. Might as well have one good exam than two bad ones. And last, but not least, to seniors and underclassmen alike—it pays to get good grades. "An ounce of brains may be worth a pound of labor" during regular work, but when finals roll around you either know it and pass, or forget it and flunk.

So, let's get on the ball. J. P.

## ARE YOU A COLLEGE-BOUND SENIOR STUDENT?

Your Roving Reporter would like to remind all seniors that "it is later than you think."

Most of you are planning to attend college or to do further study in one field or another. However, only a few applications have been turned in to Mr. Harrison's office for approval.

All colleges and universities throughout the country are overcrowded and, of course, the first applicants qualifying will be the ones accepted.

Applications should be in by February first for those who wish to enter colleges next fall. Applications are available in the office for Michigan State U. of Michigan, Denison, Albion, U. of Detroit, Lawrence Institute of Technology, Northwestern U. of Purdue, Wayne U. and Grand College (Ipswich).

Your advisors, Mr. Harrison and other faculty members will be glad to talk over any questions you may have. It will be wise also to discuss your ideas and read the applications you choose with your parents before you turn them in to Mr. Harrison or Miss Dammon for final checking.

## Pep Boosters Launch Out to New Look

Adorned in new outfits, consisting of navy blue circular skirts and white long-sleeved blouses with blue ties, the cheerleaders will bounce into the New Year with a jolting cheer at the first pep meeting for 1948 tomorrow.
