Items Of Veteran Interest

Veterans Administration today reminded World War II veterans that the deadline for liberal reinstatement of lapsed G. I. insurance was July 31, 1948. The period was extended from December 31, 1947.

The extension gives veterans an additional time to reinstate lapsed insurance without necessarily taking a physical examination. To reinstate prior to July 31, 1948, a veteran generally needs only to certify that his health is as good as it was on date of lapse and pay two months premiums.

Veterans Administration is distributing three new types of artificial arms to approximately 5000 amputee-veterans through some special limb dealers over the nation.

The arms are the first major development of an artificial limb research program financed by the federal government. They incorporate a number of improvements that enable amputees to operate them with greater facility and for a wider range of uses than was possible with former artificial limbs.

Amputee-veterans who have permanent and spare limbs of the upper variety may secure one of the three new types as an additional, or third, arm most suited to

their needs, provided the appliance can be fitted satisfactorily. They will not receive a hand or hook with the new appliance because the hand or hook of the spare arm may be used on the new units.

QUESTIONS AND ANSWERS

Q. I am receiving compensation for injuries received during World War II and would like to know if my compensation check is subject to seizure by creditors or for taxes?

A. No.

Q. Is the amount of my disability compensation in any way affected by the amount of money I earn or receive from other sources?

A. No.

Q. Is the stepchild of a veteran entitled to the same benefits as a veteran's own child?

A. Yes, if the stepchild is or was a member of the veteran's household.

Q. If I have entitlement time left after I finish my job-training course, may I enroll in another job-training course or go to school for the remainder of my entitlement?

A. With prior approval of VA, you may use any remaining entitlement either for job-training or for educational training.

D. OF I. REGENT OUTLINES YEAR FOR MEMBERS

The December meeting of the Daughters of Isabella was held in the Farmington Town Hall. The business meeting was short, and of it was conducted by the new regent, Mrs. Erna Dwyer, who covered briefly the several activities of the coming year. The committee for social, sick, welfare and resolutions were appointed.

Mrs. J. Morel was social chairman for the month of December, assisted by Francis Heuser, Mrs. C. Woodley, Mrs. M. Fisher and Dorothy Sankar. A nice time was had at Mrs. Morel's home party. A lovely lunch was served, and prizes were awarded the winners of games played during the evening.

The social chairman for the month of January is Mrs. B. La-Prese, assisted by Mrs. B. Burke, Mrs. M. Boyce, Mrs. M. Monette and Mrs. J. Wedyke.

It is the duty of each member of the circle to get in touch with the welfare committee if he knows of a needy family. The chairman of the welfare committee is Mrs. N. Martin, assisted by Mrs. R. R. and Mrs. D. C. Circle.

The ladies of the D. of I. Circle have adopted St. Paul's Cottage at Sarah Fisher Home. They furnished nineteen children with sweaters, mittens, scarfs, Christmas candies and letters of approval.

The regent has asked the entire circle, as a large committee, to assist the vice regent, Helen De-Neis, who is chairman of the sick committee, to report to her if they know of any sick members. It is a courtesy of the circle to keep in touch with its sick and needy, and attend all social parties. In this way the members can keep the basic laws of the order, which are written in the Preamble: "To become better acquainted; to widen our circle of friends; to combine our resources and energies for mutual and religious upbuilding; to aid our intellectual growth; to enable us to fill with loftier devotion and more untiring zeal which as well as the lowly places which fall to our lot in any country in which we may be called upon to act; to strive for the development of all that is best and truest in womanhood." The circle is working in thorough accord with the church.

The regent has asked each member to be a committee of one to put over the membership drive for the coming year. Each member is asked to bring in one new member. Do you have your's yet?

Several resolutions were presented to the circle by the resolutions chairman, Mrs. M. Cronin. One most outstanding in the mind of each member of the circle is the one: "Be it resolved that a Solemn Requiem Mass be said for each deceased member, active or social, of our Lady of Sorrows Circle. Members must be in good standing at time of death." It is something for each one to think about.

Just a reminder to the ladies of the circle and members of our Lady of Sorrows Church. Father Beahan is conducting the Novena to our Lady of Fatima. We take this opportunity to invite you to start your Novena February 7, at 8:45 a.m., continuing the first five Saturdays. It is to this devotion that our Lady of Fatima has promised to help at the hour of death, with grace needed for salvation, also that peace and religion be restored to the world, and especially to Russia.

Mrs. Dwyer brought the meeting to a close with prayer. Right after the business session, the ladies held their annual Christmas party. The members exchanged gifts, sang carols, and enjoyed a nice

Livonia Methodist Hold Services In Town Hall

Due to rental difficulties, the Livonia Methodist Church has changed its meeting place from the "Pink Church" on W. Seven Mile Road and Farmington Road to the Livonia Town Hall at W. Five Mile and Farmington Roads. Transportation to the new location is provided for all those who desire it. Sunday School and the church service are held at the same hour, 10 a.m., as usual. The town hall is of course, only a temporary meeting place. Hopes are held that the basement of the building of the Livonia Methodist Church on W. Seven Mile, next to the Pershing school, will be ready for use in February. Construction will then proceed on the upper part of the building.

Tentative plans are to have the frame part of the building broken in. Whatever decision is made, the architect promises that Livonia Methodist Church will, when it is finished in the spring, be one of the most attractive buildings in the neighborhood. The congregation is looking forward to having the Methodist Bishop of Michigan with them on the occasion of the dedication of their building.

COMMITTEE NAMED TO DRAW UP P.T.A. BY-LAWS

The District No. 6, Noble, Parent Teachers Association, wish to thank Chuck Gronlund for the fine entertainment he provided at their last meeting on Monday evening, January 5. They also wish to thank Lloyd Smith for the effort he has made to give the young folks the Noble District an opportunity to have musical training.

During the business session Monday evening, Mr. Sam Turner, president of the group, stated that the P.T.A. Board felt the organization should have a set of laws and by-laws, to govern their procedure. He appointed Jess Early chairman of a committee to prepare this material, and Mr. Early, in turn, appointed Mr. Harrison and Mr. Snyder to assist him. This committee will meet with the P.T.A. board at their regular meeting, and submit as much material as they may have ready. The entire membership will pass on the laws and by-laws before they are adopted.

Members of the board for the P.T.A., besides Mr. Turner, the president, are Mrs. Early, Vice president; Mr. Kelly, secretary; Mrs. Hart, treasurer; Carl Matz, membership chairman; Mrs. Sage, program chairman, and Mrs. Turner, publicity chairman.

Check Farm Equipment During Winter Months

Next spring may be too late to get your tractor or other farm machinery in condition for another year of service.

Agricultural engineers at Michigan State college advise farmers to start overhauling and repairing farm equipment now. A few days spent checking equipment will help prevent costly lay-offs when the busy spring work period comes along.

Rev. and Mrs. Warren M. Jones, of Vilas, Kansas, returned home December 31, after spending Christmas holidays with Rev. Jones' parents, Mr. and Mrs. Ray D. Jones, of Oakland Road.

Lunch. This year the regent thought up a new idea. She asked each member to "give her idea of what Christmas meant to her." It proved to be lots of fun and a good time was had by all.

This meeting was reported by Theresa Guerin, scribe.

REV. A. S. STONE TO DELIVER SERMON SERIES

Rev. A. Stanley Stone, minister of the Farmington Methodist Church, announces a series of eight sermons on "The Lord's Prayer," the first of which will be delivered at the 11:00 a.m. service on Sunday, January 11.

The series will come under the following themes:

January 11 — Our Father, Who art in heaven, — "Some Modern Implications of Universal Fatherhood."

January 18 — Hallowed be Thy Name — "Reverence for God Means Respect for Man."

January 25 — Thy Kingdom come, — "The Universal Rule of God."

February 1 — Thy will be done on earth, — "Surrendering to the Divine Will."

February 8 — Give us this day our daily bread, — "God and Economic Need."

February 15 — Forgive us our trespasses as we forgive those who trespass against us, — "Forgive or Perish."

February 22 — Lead us not into temptation, but deliver us from evil, — "On Being Protected from Evil."

March 7 — Thine is the kingdom, and the power, and the glory, — "The Ultimate Power."

In this day of confusion and hysteria, when clear thinking is often hindered by mere emotional reaction to the problems that press upon us, it becomes apparent that no adequate solution is to be found except through a sound and clarifying examination of spiritual and ethical principles upon which human life, both individual and corporate, must be based. The greatest ethical and spiritual teacher of all time has given us this model prayer, the spiritual and ethical meaning of which must be understood in all its modern implications and accepted by the human mind and in human behavior before the saying of its petitions can possibly have any effect in the remaking of human life and society.

If you do not attend church elsewhere, you are cordially invited to listen to this series of sermons on "The Lord's Prayer" at the First Methodist Church.

Mr. and Mrs. Lyman Bush and sons called on Mr. and Mrs. Wendell Green and family Sunday.

VETERANS ADMINISTRATION FORGIVES INSURANCE LIENS

The Veterans Administration has issued new G. I. insurance regulations which in effect will keep term insurance intact for those veterans who in good faith have been paying their monthly insurance premiums, but who have at one time or another been informed that one or more payments are missing.

These new insurance regulations mean that the Veterans Administration is forgiving these long overdue premiums, and mean that the veterans' insurance remains in good standing, providing his case comes within the purview of Technical Bulletin 9-53.

These regulations apply only to veterans who have made premium payments on time for the months of July and August, 1947, and for all months after July and August. Furthermore, the forgiveness clause applies only to term, and not to converted insurance policies. Paragraph 2 of Technical Bulletin 9-53 is as follows:

"Where there are missing term insurance premiums for one or more months prior to July, 1947, and provided the premiums for July and August, 1947, have been timely paid, insurance, if otherwise in order, will be deemed in force and will continue in force for only so long as the premiums thereafter becoming due are timely paid as provided in existing regulations. Insurance in such cases will be deemed in force during any month or months prior to July, 1947, for which premiums were tendered and all such premiums will be retained. Where adjustment is effected under this paragraph, premiums will not be required for the missing months."

For further information regarding these new regulations, you may contact the local counseling center.
