WASHINGTON
DIGEST . . .

(Continued from Page Two)

to bat" at Press club. I had Flinders of Vermont, McCarthy of Wisconsin and Robertson of Virginia. March 12 — Broadcast from House radio gallery again. President's message on aid to Greece and Turkey. Announces "Truman Doctrine." Presidential party departs in Sacred Cow, Nat (Nathan) Peffer, professor of foreign affairs, Columbia university) addresses forum: "Get out of China." Chiang is a crook."

Late in March — A southern journey. Daytona Beach, Pensacola, filled with vague memories of my grandmother's stories of her pre-Civil war days. Lunch aboard the carrier Salpan, Birmingham, and southern hospitality and sympathetic audiences.

April 9 — Back in Washington. Say Maurice Evans in "Hamlet." Very modern. Gravdigger's scene. Opheila finds her flowers pressed in a book. However, I liked it.

April 12 — Long ride in the country. The Japanese cherry blossoms are out and the town is crowded.

April 15 — Beginning series of broadcasts on veteran's housing. Actual stories of how communities, through cooperation of builders, labor, citizens' groups and veterans' self-help, solved their housing problems.

April 28 — Farmers don't hate daylight savings time more than I do. Washington on regular time, we get up an hour earlier. Hard for me as it is for a cow; to change habits.

April 29 — Poor Richard club of Philadelphia gives me their "citation of merit." Had a very jolly luncheon. Wally sits next to me (Wallgren, cartoonist of the Stars and Stripes). Later the United Businessmen's association gave me a public service shield.

May Day — Mexico's President Aleman addresses joint session of congress. Later we meet him for cocktails and an interview at the decorous Blair House, state department's guest residence for VIPs.

May 15 — Mexico's President Aleman addresses joint session of congress. Later we meet him for cocktails and an interview at the decorous Blair House, state department's guest residence for VIPs.

May 15 — Very much impressed with one of Senate Chaplain Peter MacFarlane's recent prayers before the convening of a regular session. Repeated it on my broadcast and had more than 100 requests for copies. Later had a good interview with him.

May 15 — Called on Dr. Loudon, Netherlands ambassador. He tells me he is leaving. It's not often you establish pleasant friendships with officials whom you may know very well professionally and socially. Dr. Loudon was an exception. Hate to see him go.

May 20 — Boys back from foreign ministers' conference in Moscow. Baltimore Sun's Paul Ward and Washington Post's Ferdinand Kuhn addressed the overseas writers off-the-record. What they said confirmed other off-the-record conferences with high officials. Not much hope for Russian-American amity.

May 21 — Hear violent argument "Vermont maple sugar is better than Ohio maple sugar." Affirmative: Presidential Secretary William Hassett of Vermont. Negative: Dr. Louis Tuckerman, bureau of standards, nuclear physicist of Ohio. Later broadcast my willingness to judge if given samples.

June 5 — Secretary of State Marshall, at Harvard, outlines ideas on European recovery.

June 11 — Dinner and forum. Dr. Chisholm, Canadian minister of health, gave a splendid talk. He believes it will take a lot of education to change human beings from "the kind of people who go to war every 25 years." Still no supplies.

June 17 — Rode the "Train of Tomorrow" from Martinsburg, W. Va., to Washington. Sat in the astradome, glass-enclosed second story of the pullman and watched the world go by. En route, called the White House from the drawing room phone.

July 8 — The air is full of flying saucers. So are the airwaves and the newspapers. Typical mass illusion.

July 25 — Off for a week in New York state and Vermont. Showed my wife scenes of my hiking days. Climbed Mount Mansfield again.

(on a ski lift). (Maple syrup, \$10 a gallon.)

August 2 — Back to tropical Washington. Restocked office aquarium with guppies, black mollies, zebrafish, angelfish and jumbo snails.

August 11 — Preview of film "The Roosevelt Story." Good historical documentary, but commentary quite out of time, for those who lived through most of it.

August 19 — Tragedy — angel fish succumb and is eaten almost before the predatory, if sanitary, snails.

August 20 — Bill Benton, director of state department's "Voice of America" program, calls us in for criticism. He has a rather impressive factual report on its effectiveness.

September 16 — Back in the ABC broadcasting booth at the United Nations in Flushing, N.Y., to watch the general assembly convene. Too busy to make any diary entries from now on.

September 27 — Returning to Washington. Progress at the assembly seems to be caught in the "jets," but there is a will to peace there which will hold the organization together to the last ditch.

October 14 — Interview with Stassen.

In huddle with state department's second-level experts. MacFarlane plans by no means ready. Paid for my own lunch.

October 28 — Folks in Upper Darby, Pa., seem less interested in the '48 presidential campaign than in the international situation.

November 10 — Folks in Oak Park, Ill., seem more interested in the '48 presidential campaign than in the international situation.

November 16 — MCA's "Decade of Destiny" program on Richmond News Leaders' WRNL station for their 10th anniversary. Smithfield ham and more Virginia hospitality.

November 17 — Extra session of congress opens. President's European aid and domestic anti-inflation message received with polite but restrained enthusiasm by the majority party.

Delivered a learned discourse: "Journalism: Its Cause and Cure." December 7 — Television interview with Senator Flinders of Vermont and Senator Lucas of Illinois on inflation. We didn't do much to bring down prices, but our temperatures rose slightly under the klieg.

December 12 — Off to Florida.

IN MEMORIAM

In devoted remembrance of my wife, Opal I. Campbell, who passed away December 30, 1946.

I'm often sad and lonely,
In a sentimental way—
I get myself so moody
When I know I should be gay.

I'm always lost without you,
Like none without a song.
I know I'll always miss you
As time goes on and on.

It isn't wealth alone that counts;
In life, it's what we find.
To be complete, we all must
have Contentment, peace of mind.

I haven't lots of money—
But my troubles are quite few.
I have so much that others don't
Sweet memories, dear, of you.

And when each day is over,
And night has finally come,
I find I'm worth a million,
For I still have our son.

Lane Campbell
