The famous Servel Gas Refrigerator**STAYS SILENT
LASTS LONGER**

because it freezes with no moving parts

Now you can get the famous Servel Gas Refrigerator that more than 2,000,000 owners say stays silent, lasts longer. In its different, simpler freezing system there are no moving parts. No valves, piston or pump. No machinery that can wear or get noisy. Just a tiny gas flame does the work.

New and greater, the famous Servel Gas Refrigerator gives you every new convenience, too. Come see the silent Servel Gas Refrigerators now on display.

CHECK FOR YOURSELF

- ✓ Big frozen food compartment
- ✓ Plenty of ice cubes in trigger-release trays
- ✓ Dew-action vegetable fresheners
- ✓ Plastic-coated shelves adjustable to eleven different positions

IN MEMORIAM

In loving memory of our dear husband and father, Frank W. Rosow, who passed away a year ago, January 5, 1947.

They say time heals all sorrow and helps us to forget.

And time so far has only proved how much we miss you yet.

Friends may think we have forgotten.

When at times they see us smile.

But little they know the heart-aches.

That our smiles hide all the while.

Sadly missed by his loving wife, Anna, and son, Harold.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Ellen Graham, who passed away three years ago, January 10.
