

Shame On You! A Grown Man Deliberately Scaring A Baby!

You risk your life painting her darned old wall and look what happens! It's sad all right. But it reaches tragic heights when doctor bills pile up and pay day goes by without a check. Be prepared for every emergency with one of our accident policies.

MANY ATTEND ART EXHIBIT AT HUDSON GALLERIES

Already many Farmington residents have visited the Hudson Galleries, to see the exhibition of paintings by members of the Palette and Brush Club.

Of the total of 36 pictures, nine are the works of Farmington members of the Palette and Brush Club. In addition to paintings by the eight women listed last week, the exhibit includes a painting by Mrs. H. C. Hall of Nine Mile Road.

Since this is a juried exhibit and the pictures on display were selected by judges from a large number entered, it is certainly something to be proud of that one fourth of the total exhibit is the work of local women.

The exhibit will continue through Friday, 14. Plan to visit the Hudson Galleries some time before the end of next week, and see this collection of paintings.

Step Right Up Ladies and Gentlemen!!

This is where you get it. Tell you what we're gonna do! You buy 2 lbs of Quaker coffee at 59c a pound, and it's good coffee, and we'll give you FREE, yes, I said free, a 2 lb. box of Quaker salt, which is nice and salty. Now come in a little closer and I'll tell you a story. We had troubles. Had a gob of stuff stacked under a leaky water pipe, and the labels got all messed up. Now this stuff such as tomato juice, peas, pork and beans, etc., is all very high classed stuff, but it don't look pretty good on the outside, the inside is O.K. Now each can is not 25c, not 15c but only 10c, just 1/10th of a dollar each. Sort it over and pick out what you need. As an added attraction we have 46oz. sweetened or unsweetened orange, grapefruit or blended juice for only 29c a can. Now these prices are for Friday and Saturday only so HURREE, HURREE, HURREE!

On this side of the big top we have some quality beef. It may not have won a blue ribbon, but it appears mighty fine to me. Got some round and sirloin steaks at 75c lb, pot roasts at 59c lb. and some ground meat at 45c lb. At the other end we have some sliced bacon for 65c lb. Now this might sound like a lot of bologna. That's what we've got, a lot of bologna at 39c a pound.
