NEWLY MARRIED

Mr. and Mrs. Clifford St. Arno

Miss Barbara Stever, daughter of Mr. and Mrs. Lounis Stever of Oxford Street, Farmington, became the bride of Clifford St. Arno, son of Mr. and Mrs. Victor St. Arno of Farmington, Detroit, on Saturday evening, January 17. Rev. Elsie Johns performed the ceremony at the Clarenceville Methodist Church.

Beautiful music before and during the ceremony was played by Miss Wilma Hood, organist, and Mrs. Ruth Reed sang "Because" and "All My Love".

The bride came down the aisle with her father. She was dressed in an off-the-shoulder gown of slippery satin, with an illusion yoke edged in lace, and long pointed sleeves. A long, full hooped skirt was opened in front to reveal an under-skirt of white lace ruffles. A new lace held a fingertip veil of illusion, and she carried a bouquet of red and white roses, centered with a white orchid corsage.

Miss Betty Winters of Farmington was maid of honor. She wore a gown of aqua moire, with a hooded skirt. Her headpiece was an aqua moire ruffled hat, and her flowers were talliesman roses.

Miss Virginia Andrews and Miss Joyce Cardinal of Redford were the bridesmaids, and they wore gowns of tushia silk, hoop skirted, with matching ruffled hats. Their flowers were yellow and white roses.

Best man was Lyle St. Arno, brother of the bridegroom. Uppers were James Gravelle, brother-in-law of the bridegroom, and Wally Stever, brother of the bride.

Diane Kay Briggs was the flower girl, and she was dressed in a yellow taffeta hooped skirt, and she wore a yellow bonnet. She carried a lovely basket of mixed flowers.

Garry Alsop was ring bearer for the double-ring ceremony.

Mrs. Stever wore a pinstriped dress, with black accessories, and a white carnation corsage, for her daughter's wedding. Mrs. St. Arno, the groom's mother, wore a black dress trimmed with blue sequins, black accessories, and she also had a white carnation corsage.

After the wedding, a reception was held in the church basement where 215 guests were served cake, ice cream, tea and coffee. The reception was followed by a dancing party and luncheon at the Macco-bees Hall.

The newlyweds went East for their honeymoon, and will be at home to friends on Brady Avenue, Redford.

A wire recording was made of the wedding, from the bride's entrance, to the conclusion of the ceremony, by Albert Boltho, a friend of the bride's family. It is to be sent to relatives in Europe.

COAL FACTS
about
COAL HEAT
in
DETROIT

SUPPLY: Yes, oil is scarce, and probably will be for some time. Detroit coal users, however, can be assured of an ample supply of coal to be comfortable this and future winters.

DEPENDABILITY: Coal users of Detroit have never been out of coal even when the industry has been confronted with transportation and labor difficulties. Coal has kept homes warm and the wheels of industry turning throughout two wars without coupon rationing.

EQUIPMENT: Modern coal-burning equipment such as hopper or bin-fed automatic coal stokers offer the most comfortable, automatic, clean heat. They are available today and for immediate installation, as are automatic controls for hand-fired furnaces.

TEMPERATURE: Coal users do not have to turn back thermostats or close off rooms. They can enjoy unlimited comfort. Who says 70 degrees, or even lower, is the right temperature? The right temperature is that at which you are comfortable.

ECONOMY: Coal is the most economical fuel available. This is an important factor in your monthly budget.

SERVICE: Your furnace or stoker in prime condition will give you the best results from your coal. To have serviced, call your local coal retailer; if he has no facilities, call CHERRY 4331.
