Michigan Veterans' School  
Need Used Watches

The general public is being given the opportunity of helping Michigan Veterans who are taking vocational courses at the Michigan Veterans' Vocational School in Pine Lake, Doster, Michigan — a project of the State Office of Veterans' Affairs. Mr. Elmer J. Hanna, Director of the Michigan Office of Veterans' Affairs, recently announced the need of used watches by the school for training purposes in the Watch and Clock Repair course.

## DeRoy Jewelers Appointed Official Agency

In a letter to DeRoy Jewelers dated January 21, 1948, Mr. Hanna advised DeRoy Jewelry Company that they would gladly accept a quantity of used watches which the jewelry firm would accumulate as trade-ins on new watches during the month of February. DeRoy Jewelry Company wholeheartedly backed this plan, and will give absolutely free to the Veterans' School all watches traded-in by its customers during its annual February Trade-In Sale.

DeRoy Offers Generous  
Trade-In Allowances

For this special occasion, DeRoy Jewelers is offering extra generous trade-in allowances for your old watch, regardless of its age or condition, toward the purchase of any new 1948 Bulova, Elgin, Gruen, Longines, or other famous make watch in any of their three stores. It's a marvelous opportunity for you to help yourself to a new 1948 watch, and to help the Veterans' School, too. All watches received as trade-ins by DeRoy will be given absolutely free to the Veterans' School. Got an old watch? Don't put it off — take it off and trade it in!

## Trade It or Donate It

All those folks in the community who have old, unused, unwanted clocks or watches around their homes are urgently requested to donate them to the Michigan Veterans' School. Just bring them to any of the three DeRoy Jewelry Stores and they will be forwarded to the school. DeRoy stores are located at 21648 Grand River in Redford, 22085 Michigan in W. Dearborn, and Downtown at Grand River, corner of Griswold.

DeRoy Continues Policy of Selling  
Larger Diamonds at Lower Prices

The public response to DeRoy's policy of selling diamonds by scale-weight has been so tremendous that DeRoy Jewelers are continuing this, see-all, know-all policy. DeRoy Jewelers tell you exactly how much your diamond purchases weigh, informs you as to its degree of perfection, acquaints you thoroughly with everything you want to know about your diamond purchase. Folks who have compared DeRoy's carat-weight prices with those of other jewelers have learned that DeRoy diamond values are beyond compare. All three DeRoy stores offer you these superlative LARGER DIAMONDS at prices believed to be lower than you can duplicate anywhere else. The DeRoy stores are located at Grand River and Griswold, 21648 Grand River in Redford, and 22085 Michigan in W. Dearborn.

\$179 Still Buys Large  
Diamonds At DeRoy Stores

The same LARGE diamonds DeRoy has been featuring at this remarkably low price are still available at all DeRoy stores. Choice of men's or ladies' rings, set with these larger diamonds in brilliant gold mountings, are yours for only \$179, plus federal tax. See them for yourself, compare them with similar size diamonds and see how much less they cost at DeRoy Jewelers.
