CLARENCEVILLE NEWS

By MRS. AXEL RUTHLA
TELEPHONE FARM. 1124-M

For goodness sakes — the "for sale" signs are hanging out on houses all over our town.

Mrs. William McDonald of Long Avenue entertained the sewing group of the southern part of our town at their first bi-monthly meeting of February.

Mrs. Lloyd Samuels of Seminoles entertained a group of wives of the faculty of the high school, who meet quite regularly for a social evening.

Mr. Russell Wasek, local manager of the C. F. Smith Store, is training in a super Smith market in East Detroit, preparatory to taking over the management of the super store which will open in Clarenceville soon. At least the sign "To Open Soon" has been on display for the past month on the new building.

A bit late, but nevertheless important. The second annual Girl Scout sleigh ride, made possible through the courtesy of Mr. Louis Wasek, was attended by about 60 Scouts and leaders at Frosty's Riding Academy on Eight Mile Road. Mr. Frosty cooperated wonderfully in handling such a crowd of folks. The girls were thrilled to ride behind the new huge team of bays, and the three dogs of the establishment, who were waiting eagerly to be asked to go along, jumped aboard at the mere mention of it. Some of the girls were lucky enough to get the feel of the saddle as well, and get a look through the stable.

We are glad to report our neighbors, Mrs. Carlee and Mrs. Hill, who have returned home from various hospitals in Detroit. We think we are hard hit by our prolonged snow and cold weather. We have reports from Keeweenaw Peninsula relatives telling of 30 degrees below, and a total snow fall of 150 inches. Some shivering.

Mr. Paul Lucas, Sr. has opened a garage repair shop in Mr. Oles Jensen's blacksmith shop on Ontario, just off Eight Mile. Mr. Jensen is helping or rather returning to his old trade, welding and repairing, after more or less retirement for a year or so. He has been busy at other trades such as building and repairing houses. Mr. Jensen has been one of the busiest men in our town for the last 25 years — there seems to be no time for retirement for him.

Mr. George Lawerson and his mother spent the week end with relatives in Goderich, Ontario, Canada. They left by car on Saturday and returned Monday.

Mr. Kenneth Swarthout spent last week in Indianapolis, on business for his firm. Mr. Kenneth Swarthout and friend, Mrs. Westergaard of Detroit, attended the Palette and Brush Club Exhibition at the Hudson Galleries last Tuesday. Mrs. Westergaard had an entry chosen for the exhibition, and of course we are very proud of Mrs. Trout-eau and Mrs. Karl Ritter, who have paintings in the exhibition as well as our good neighbors.

Mrs. William Harris, Mrs. John Wynn and Mrs. Pierce Van Camp honored Mrs. Mary Warren of Colgate with a shower given on Thursday afternoon at the Van Camp home on Brookside. Mrs. Warren has been assisting with the Girl Scouts of Farmington Baptist Church. Mrs. Warren was also en-

tertained by a group of her Colgate Road neighbors at the home of Mrs. Hershel Childrens on Friday evening.

Girl Scouts of Mrs. Moore's and Mrs. Lybeck's troops had a skating party at Farmington last Wednesday, returning to Central School for supper, which Mrs. Johnson and Mrs. Colvin had prepared for the girls.

The school rooms are quite picturesque with hearts denoting the Valentine season, and "Abe" and "George" peering through all the color in their number black and white. The High School became very dignified and skipped the road and white decorations, but they are all buzzing with just as fervent a project, their "Daring Contest" which the freshmen seem bound to win. They go among their members each morning collecting pennies, or what have you. I have an idea that it would be lots more fun if the boys were running against one another. Last year Earl Parsons did, as a black horse called "Mary Parson", but unfortunately he was found out.

Janet Ann Rutilla is the latest recruit in the all girl Musical Belles Orchestra of Redford, under the direction of Mr. Manuel Freed. Laura Jean Schenck and Shirley Barrons had vocal troupes last Wednesday. The girls are preparing for their annual concert at Mackenzie High on April 9, as well as for a concert at Dearborn Veterans Hospital on March 24. Mr. Freed gives his time gratis to the girls and arranges their concerts, together with five trustees, included among whom is Mr. Harold Hope of our town. Mrs. Freed spends much of her time, too, working with the organization. The girls have tickets for sale for the April 9 concert, which will be very professional, we assure you. We unintentionally left out the name of Dolores Crump in our last report of the group.

Troop CL2 celebrated the opening of Boy Scout Anniversary Week with a week end encampment at Waterloo Recreation Area. Thirty-five Scouts under the leadership of Scouters Chappel, Falkner, Seaton, Westberg and Rutilla, left for camp Friday evening and returned Sunday afternoon. Winter sports highlighted the trip, the boys taking along so much equipment, skis, skates, toboggans, etc., that it was necessary to commandeer a former Scout, Donald Zeck, and his truck for transportation.

During their sojourn at camp they occupied Cedar Lake Cabin at the Waterloo State Recreation Area. This site is located near U.S. 12 and northwest of Chelsea, approximately 50 miles from Clarenceville. It is the largest of the recreation areas in southern Michigan and consists of approximately 14,000 acres. The area includes a belt of rough high hills, and numerous lakes which were ideally suited for winter sports under the present favorable snow conditions. There is no question that the boys enjoyed themselves judging from the huge quantity of food consumed, and the fact that they returned home a mighty tired group.

Mr. Kenneth Swarthout spent last week in Indianapolis, on business for his firm. Mr. Kenneth Swarthout and friend, Mrs. Westergaard of Detroit, attended the Palette and Brush Club Exhibition at the Hudson Galleries last Tuesday. Mrs. Westergaard had an entry chosen for the exhibition, and of course we are very proud of Mrs. Trout-eau and Mrs. Karl Ritter, who have paintings in the exhibition as well as our good neighbors.

From where I sit... by Joe Marsh

Will's Proud of His Big Ears

Will Diddle's mighty proud of his big ears! Best crop of corn he's grown since '38. And Will, like so many other farmers, has plenty of reason to be proud of what he raises.

The farmer has always been a keystone in our economic life, and the key to our national well-being. But from where I sit, he's more important now than ever. He's not only feeding America—but friends of America overseas—but friends of America overseas—building good will for this country at a time when friendship for democracy is most important.

And farmers have willingly shouldered that responsibility. Will spends extra hours in his cornfield... comes home tired to a temperate glass of beer and early bed, to be ready for the next day's work.

From where I sit, America can be mighty grateful for her five million farmers... for their prodigious tivity, hard work, and temperate living—of which Will's moderate glass of beer is proof!
