Bond School Club Plans Card Party
 The Bond School Parents Club is sponsoring a card party to be held at Bond School on Saturday evening, February 23, at 8:00 p.m. Various games will be enjoyed, prizes awarded and refreshments will be served.
 Tickets for the party may be obtained by calling Longacre 5-2850.

FLOYD HOWARDS ENTERTAIN FARM BUREAU GROUP

On Tuesday, February 17, twenty-two Oakland County Farm Bureau women met at the home of Mrs. Brad on Buell Road. Following a lovely pot luck dinner the topic of discussion was the amendment increasing the fine for those caught dumping rubbish along the roadside. The women have been working for this as dumping is a nuisance and hazard to stock and wild life. Methods of publicity for this campaign were discussed.
 It was mentioned that the South-west women were instrumental in securing road signs for Milford Township.
 Mrs. Clark is having the next meeting on March 16, at noon, at Mrs. Doubler's home at 9260 Pine Knobb Road. Any Farm Bureau woman is cordially invited.

Audrey Lathrup Gets All "A" Rating

The Registrar's Office at Michigan State College has announced that Audrey Ann Lathrup, Farmington senior, received all A's in courses for the 1947 fall term.

All students who received these highest grades were honored by a special luncheon with President John A. Hannah as host.

BRIDE-ELECT

HELEN M. CLARK

Mr. and Mrs. Bert H. Clark of Fourteen Mile and Farmington Road announce the engagement of their daughter, Helen Marie, to Mr. Warren A. Schluser, son of Mr. and Mrs. Ralph Schluser of Fourteen Mile Road.
 The wedding is to take place in September.

ENGAGEMENT TOLD

NORMA TRESSLER

Mr. and Mrs. William Mitchell, 2742 Hasted Road, announce the engagement of their daughter, Miss Norma V. Tressler to Mr. Henry W. Colebank, Jr., Boys Republic, Farmington.
 Mr. Colebank is a veteran of World War II. At the present time he is studying journalism at Bowling Green University in Ohio. Miss Tressler is living with her parents. Both were graduated from Farmington High School. The wedding date has not been set.

SEA SCOUT SHIP TO BE REGISTERED AT CLARENCEVILLE

Next month the Clarenceville Board of Education will complete its Sea Scout Ship. Several months have already been spent in planning the details, so that the Board is satisfied that they are now ready to give the older boys an active scouting program. They feel it advisable to limit the membership for the first year so that the group is no larger than can be well taken care of.
 If you are a young man 15 years or older, and would like to be a charter member in a program that will be an asset to the community — if you are really anxious to help make this program successful — if you are physically able to stand a rigorous outdoor program and if you live near enough to the Clarenceville High School so that you will have no transportation problem in attending the meetings, your application will be welcomed.
 Final date for filing applications is Thursday, March 11. A meeting will be held at 7:30 p.m. on that date at the high school. If you wish to be sure to get your application in, in plenty of time, you can give your name to Mr. Beisen any time before that date.

Mr. and Mrs. Floyd Meyers announce the birth of a son, Paul Theodore, in the Henry Ford Hospital, Sunday, February 15.

Sweeping the nation like wildfire:

"This time it's Hudson"

the car you step down into!

GET in on the excitement. See a new kind of motor car — only one feet from ground to top, but with more inside head room and roomier seats than in any other mass-produced car built today!

Hudson is the only American-built car you step down into when entering, not up on — yet it maintains road clearance.

Hudson's new, all steel Monobilt body-and-frame* is the only motor-car construction that completely encircles you, even outside the rear wheels, with a rugged, box-steel foundation frame.

You ride within this frame — cradled between axles — not on top of the frame as in other cars. And as you ride, Hudson's combination of unique construction and comfort features gives you a sensation of snug safety and serene, smooth going unlike anything you've known before!

Treat yourself to the thrill of riding behind Hudson's all-new Super-Six engine — the most powerful six built today — or the better-than-ever Super-Eight. Find out about automatic gear shifting in forward speeds as provided by Hudson's exclusive "Drive-Master" transmission.

Step into the nearest Hudson showroom. You'll see why, across the nation, they're proclaiming, "This time it's Hudson!"
