"Ali Baba" Date Set For April 2

A presentation of "Ali Baba and The Forty Thieves" will be given by the Wayne University Players on Friday, April 2, at the Farmington High School Gymnasium. This is the same group that last year gave such a splendid performance of "Rumpelstiltskin". Those who saw that production will surely want to see this new play.

"Ali Baba and The Forty Thieves" will be given at two performances, one at 1:00 p.m. and the second in the evening at 8:00 p.m. Children from the outlying schools in the district will be transported to the Farmington gymnasium by their own school buses for the play.

Tickets are now on sale, and may be purchased at the Enterprise office, or call Mrs. C. E. James, ticket chairman, at Farmington 1570.

The play is presented under the sponsorship of the Farmington Township Girl Scout Council. This organization felt that they wanted to bring some outstanding entertainment to the people of Farmington, and in view of the enthusiastic response given last year to the Wayne University Players, they arranged to bring them back again this year.

School children may purchase tickets at their own schools during the three day period before the play is to be given on April 2.

ANNUAL PARTY PLANS COMPLETED BY GARDEN CLUB

The plans and arrangements for the Spring Card Party, sponsored each year by the Farmington Garden Club, are now made. The date of the party has been set for Saturday, May 8.

Mrs. Trace Conroy is general chairman and she has already formed her committee.

The event will be held at the Farmington High School Gymnasium, and it is to benefit the American Legion Memorial Home, which shows a lot of interest to everyone in Farmington. Let's all cooperate to make this an outstanding success.

Mrs. Earl Whitman, phone 0259, and Mrs. John Gierst, 1573-M, are in charge of the tickets. There will be lots of wonderful prizes, so plan to attend and bring your friends.

Ain't It A Mess???
A guy really don't know from nothin' — first we got somethin' and then we aint. On the somethin' side we got a mess of salad dressing. Now this here stuff is a popular brand but you gotta come in to find out what it is, but the price — that's the thing — only 25c a pint. Could we interest you in about 16 quarts?
We got a mess of fish too. We didn't catch 'em but we think we're kinda lucky to have 'em. You don't need a can of worms and a hook to snag yourself a batch of these. Jest bring 59c and 2c for the Governor and take your pick of either 1 lb. Demings, or 1 lb. Red Boy salmon. If you're fishin' for somethin' along the fancy line we have filets of anchovies, shrimp, kippered herring, white meat of tuna, smoked salmon and crab meat.
You know there's quite a program goin' on to promote some of our own Michigan apples. You gotta admit for cookin' you can't beat a Spy apple. We have some we bought from a local grower — nice big ones at 3 lbs. for 29c. Come on, Ma, be the apple of Pa's eye and bake him an apple pie! To make a right smart crust you gotta have a good shortening. We're not short on that either — got quite a selection — 3 lbs. Spy, Crisco or Bakerite for \$1.25 and get this — it's a slick one, LARD for 25c a lb.
Betcha by now you're wonderin' what the meat department is gonna come forth with. Well they're not comin' forth, they came in fifth and I don't mean Scotch. It's the meat packers that are Scotch with what they got — but we're gonna try our darndest to keep you happy. We just aint got nothin' special to offer this week — but the counter is full — the cooler is full and if you'll excuse us we'll go put the coffee pot on — we're not — no break-fast, you know!
