When flood, fire or tornado ravages the land the Red Cross stands ready to soothe the scars and ease the pangs of suffering. You remember the Wartime Blood program of the Red Cross. Many still live today only because of it.

Veterans successfully face many critical problems thanks to Red Cross Aid; the misery of the ailing is soothed, and accident emergencies are met because the Red Cross prepared the way.

Give to help your Red Cross. Your Red Cross needs your help to carry on this vital, humanitarian work. Your contributions will help thousands of our fellow-Americans—many of them in our community.
