EXCHANGE CLUB TO HEAR ADDRESS ON DEMOCRACY

Members of the Exchange Club of Farmington will hear an address on "Today's Threat to Our Democracy" by Gerald Harrison, at the meeting of the Club on Wednesday, March 31, at 12:00 noon.

The address will be the high point of the Club's observance of the 7th birthday Exchange. The first Exchange Club was formed March 27, 1911, in the City of Detroit.

By reason of the menacing aspect of events in Europe and because Exchange for more than a quarter of a century has vigorously stressed American Citizenship in The National Exchange Club's program of education, the birthday month of Exchange has been dedicated to education and community action in a national program that emphasizes and dramatizes the common heritage of every American.
