New Synthetic Fiber
Terylene is the name given to a new synthetic fiber developed in England, which resembles silk, and wears without special precautions. It is resistant to heat and light, and can be woven or knitted. It is made from terephthalic acid and ethylene glycol.

TELEPHONE FARM. 1461-M

Certain ladies of the Neighborhood Church district are sponsoring a Bake Sale, proceeds of which are to be used in securing some needed improvements for the Neighborhood Bible School. Although plans are not yet complete, it will probably be held April 10 at Davis Church Store.

The Easter meeting of the Sunshine Sisters was held in the Neighborhood Church Wednesday afternoon, March 24, with a very encouraging turn out. The devotional service and contributions to the Sunbeam program were, for the most part, appropriate to the season. A smaller number of neighbors than usual were reported on the sick list. There was considerable discussion regarding ways and means of securing funds for purchasing much needed equipment for the Bible School. During the social hour a beautifully decorated Easter cake was graciously admired and then enjoyed by all present. The next Sunshine meeting will be held in the Neighborhood Church Wednesday afternoon, April 7. One aim of the group is to promote greater neighborliness and friendliness and all women of the community, regardless of church affiliation, are cordially invited to participate in Sunshine get-togethers. The Neighborhood Church was lovely with colorful potted plants for the Bible School session Sunday morning. An impressive program was carried out. Young folks taking part included Joanne Willet, Judy Muir, Esther Middleton, Johnnie Imonen, Jerry Butler, Bobby Melvin, Sharon Butler, Robbie

THANK YOU
I want to thank my friends and neighbors for their blood donations while I was hospitalized after my recent accident. All their kindness was greatly appreciated.
James Fletcher

Flies on Increase
The United States lost by far more than 600 million dollars during the past year. This is the largest fire loss reported by this or any nation in any 12-month period.

IN MEMORIAM
In loving memory of Sarah E. Turner, who passed away April 7, 1921.
Twenty-seven years since that sad day
The one we loved was called away.
Ogd took her home, it was His will.
But our hearts still live with still.
In perfect peace, she waits our call.
Sadly missed by her loving children and grandchildren.

Obituaries

Mrs. Pearl Desmelk, 37, of 2930 Ten Mile Road, passed away at St. Joseph's Mercy Hospital, Pontiac, on March 19. Mrs. Desmelk was born February 6, 1911, in Pennsylvania.

Rosary services were held at the Lacey Funeral Home of Sunday evening, following her death, and funeral services were held from Our Lady of Sorrows Church, Pontiac, at Holy Sepulchre Cemetery.

Mrs. Desmelk leaves her husband, Mike, and two sons.

Grant Robbins
Funeral services for Mr. Grant Robbins, 32 years old, of 43770 Grand River Avenue, Novi, were held from the Higley Funeral Home on March 24, at 10:30 a.m.

Mr. Robbins passed away at his home on March 21. He was born August 31, 1915, in Birmingham, New York, and had lived at Novi for the past 27 years. Burial was at Oakland Hills Memorial Park, Walled Lake.

Surviving Mr. Robbins is his wife, Emily.

Mrs. David Dickie, who formerly lived on Maple Road, near Orchard Lake Road, passed away at Mayfield, Michigan, Monday, after a short illness. She was born June 8, 1862, at Lucknow, Ontario.

Surviving Mrs. Dickie are her husband, David; two daughters, Mrs. Ward DeConick of Birmahg, and Mrs. Eae Achenbrenner of Farmington, and three sons, Alex and Lyle of Mayville and Ross of Durand. She also leaves 11 grandchildren and two great grandchildren.

Funeral services were held Wednesday afternoon at two o'clock from Blackburn and Tubbs Funeral Home at Mayville, with burial in Chick Cemetery.

William C. Stewart
William C. Stewart, son of Mr. and Mrs. William T. Stewart, of 1954 Farmington Detroit, passed away at the residence on Friday evening, March 26, following an illness of one year.

William Stewart was born June 13, 1936 in St. Louis, Mo. He was a graduate of the Redford High school and was employed at the Carlton Hotel in Washington, D.C. until the time of his illness.

Funeral services were held on Monday afternoon at 2:00 o'clock from the Thayer Funeral Home with Mr. D. V. Grieshammer, former Reader of the Eighth Church of Christ, officiating.

Burial took place in the North Farmington Cemetery.

William is survived by his parents, Mr. and Mrs. William T. Stewart.

American Legion Begins 31st Year

A grand, collective fellow has just celebrated his 30th birthday. He is The American Legion — the champion of disabled veterans, the protector of war widows and orphans, the defender of freedom and the unselfish servant of communities, states and nations.

Three decades of impressive accomplishments for the good of The American Legion now lie behind the world's largest veterans' organization. They were years in which the Legion and its members built up far beyond the fondest dreams of its founders in stature, in membership, in prosperity, in prestige, in influence and best of all in public esteem.

American Legion programs have enjoyed amazing successes. The secret of these achievements lies in the outlets which The American Legion provides through its many service and community organizations to men and women to serve unselfishly in activities in which they have deep personal interests. Members who feel most keenly about the welfare of our nation are put up the unparalleled rehabilitation program of The American Legion.

Those who have child care close to their hearts, have made The American Legion child welfare the foremost in this field in America. Many thousands of other Legionnaires have specialized in Americanism activities, national defense, youth training and community service, becoming experts in these fields. The sum total of all these active participations by members who have made hobbies of these various programs represents the finest work of The American Legion.

Impressive as have been the fruits of The American Legion's labor of love for America, the task ahead is still greater. Our country has grown. Her needs and her responsibilities have multiplied as her leadership role in world affairs has grown.

Today America faces a two-fold challenge. She must preserve her liberties against the greatest ideological attack ever launched against democratic institutions. And she must keep alive in a troubled and despairing world the last best hope of all mankind that freedom can prevail over tyranny.

The American Legion's first mission is to develop that national strength which lies so potentially in our freedom.

It is fighting today for immediate enactment of Universal Military Training legislation to build the fighting strength which America must possess to defend herself and what is left of the free world against the rush of aggressive communism. U.M.T. will provide the military punch it will make it the backbone of our future defense establishment. Modern warfare calls for entire nations trained in military know-how. Atomic weapons are nation-killing weapons.

But today it is not enough to arm ourselves against external enemies alone. Communism has perfected the technique of the fifth column. We have all just seen what has happened to Czechoslovakia. The complete subversion of the land of the Czechs is final proof of the effectiveness of the boring-from-within tactics of red fascism. Never forget that. It could happen here.

The most serious threat to this country are virulently active. They are financed and directed from the Kremlin by experts in infiltration and penetration.

The American Legion is seeking to outlaw the Communist Party of the United States on the ground that it is not a political party in the accepted American sense but a revolutionary conspiracy aimed at overthrowing our form of government by force and violence.

But outlawing the Reds is not enough. Defense against subversive elements must go much farther. The individual citizen must be ARMORPLATED against communist and all other alien propaganda. That can only be done by education.

We are doing this through The American Legion PUBLIC SCHOOLS which will explain the dividends our democracy in terms of every day living. That ex-

Civic Film Schedule Is Announced
