**ROVING EDITORIAL**

"Ah spring! When a young man's fancy turns to thoughts of what his girl has been thinking about all winter!"

Even if the weather is unpredictable, many of the F.H.S. students have proved people can be just as surprising. Balm breezes wend their way through the halls and classrooms making concentration on studies nearly impossible, while instructors try just as hard to bring the wandering minds back to the classroom and Latin, math, or whatever they are endeavoring to impress upon our unwilling minds.

The voices of laughing children playing away a recess period, the sounds chirping in the nearby trees all add to a welcome picture.

Another sign that long-awaited spring is really on the way can be seen in the many couples strolling alone, dressed in the latest fashions and dancing in the gym.

Your Roving Reporter has the same light feeling and urge to go "strolling thru the fields of daisies" but one thing must be remembered. We have only a few months of school left and must work just as earnestly as ever to keep those grades where they should be. It would be quite a disappointment to find, at the end of the term, that a touch of Spring Fever had kept you from passing with the kind of a mark you could have gotten — or even kept you from being graduated. Don't let this happen to you! Enjoy these spring days, for they are grand; but I'm sure, if you wait until that assignment is finished, you will appreciate it just that much more. J.H.

The Girls' Bowling League has kicked off in attendance lately. If it is impossible for a regular member to attend, a substitute should be arranged. Action will be taken if this continues.

This week, despite the small crowd, the girls' bowling at Florence Wallace held both first and third places with high games of 160 and 134. Velma Goers with 138 took second place. High bowlers were from Florence and Velma also.

The leading team for the day was the Alleycats with a total score of 1364. Leading the parade for high position are the Hellicats with 19 wins and 11 losses.
