NO HITS! NO RUNS! NO ERRORS!

That aint quite right cause we gotta couple sure-fire "Hits". Fer instance, now that the grass is gettin green we got Defiance evaporated milk, a coupla cans fer two bits. Maybe you never heard of Defiance Milk but it's just as bad as Pet and Carnation. And didja see all the cherry trees in blossom? We gotta git rid of our old cherries so we have some room for the new ones. While they last you can have a cuppla cans for 49c. If you don't want these darned old pitted cherries, help yourself to a few cans of apricots. These aint got no pits in 'em either cause they're cut in half. We're sure you'll "Run" home with these cause they're big cans for 29c each.

Here's a hot one. Pork loin roast, rib end, for 39c a lb. If our pork order doesn't git here on account of because everybody along the line is unhappy and they're on a strike fer some reason or another, this will be the "Error" you're lookin' fer. We feel pretty sure we'll have 'em tho. It's for sure on the short ribs. We got 'em — you can have 'em fer 29c a lb., and we didn't steal 'em either. No matter how you cook 'em — a little old Quaker Catsup will improve the flavor. Know why we said Quaker? — it's cause we gotta special deal on it this week end fer 19c a bottle.

A lot of youse guys been askin' fer a frozen food special. Gonna have the 3 "P's" again. Peas, Pineapple and Peaches fer 19c a box. If you got a locker and want a gob of that stuff we'll be glad to go in there and freeze while we put them away. Did I say glad? What am I sayin'????

P.S. Didja see the swell prizes in the Bank window?
The Garden Club is givin' these away at their party Saturday atternoon in the High School Auditorium. Tickste
are still available. Why dontch make up a table and
join in?? How can you lose???
