Miss Elaine Pound Honored at Shower
Mrs. Frank Corlee of Jackson Road and Mrs. Don Ward, also of Jackson, were hostesses at a bridal linen shower at the Ward home on Wednesday, May 19, in honor of Miss Elaine Evelyn Pound of Farmington, whose marriage to Raymond Geary takes place on June 5, at Farmington.
The rooms were colorful with wild flowers and iris. The table centerpiece was of lilies of the valley, colored, and from candles, burning, gave a soft glow to the scene.
There were six tables. Guests at each table played their preferred game, and prizes were given for each table.
During the supper hour, Mrs. Don Ward played best style, Mrs. Don Ward, Sr. of Washington Road and Mrs. Thomas LaFollette of Dresden, assisting in pouring. Serving the guests were Mrs. Emily Carter, Mrs. Clayton Goers, Mrs. Ross Deal and Miss Alberta Schiers. During this time Mrs. Ward entertained the guests.

LIVONIA BANQUET ATTRACTS LARGE CROWD
Livonia Methodist Church had their first Mother and Daughter Banquet on Thursday, May 13, at 8:30 p.m. The program with the exception of the program, was arranged by the men of the congregation, with Mr. Harry S. Wolfe as chairman.
The room was decorated gaily, and the men prepared and served an excellent meal. Because the basement was filled to capacity, a table had to be set up in the church parlor. After the meal all were invited to the auditorium where a program was offered.
Following community singing, Miss Mary Joys and her friend of Fowlerville, gave a number of string duets on guitars. Mrs. Charles Hall and Mrs. Harry Hadwood sang two Mother's Day duets. The speaker of the evening, Miss Lovewell of Plymouth, gave an excellent talk that had a message for every member there. The program closed with the presentation of pots of flowers to Mrs. Ford for being the oldest mother present; to Mrs. A. Heichman for being the second oldest mother present; to Mrs. G. MacMurtrie for having the most daughters present, and to Mrs. L. A. Roberts of Monroe for being the youngest mother present, and for having the youngest daughter. Because of the great success of this occasion, it is planned that a Mother and Daughter Banquet will be held at the church annually.

REDFORD HIGH ANNOUNCES SUMMER JEWELRY CLASS
Again this year Redford's summer school is offering a jewelry and leathercraft class for any adult or student, many ages, who is interested in making and creating unusual articles of sterling silver and leather.
Two and one-half hours of high school credit will be given for the eight-week course, beginning June 25, and ending August 20. Stone cutting and polishing are also taught. Cut and polish all those rocks you brought back from the West.
This class affords a wonderful opportunity for tired mothers who wish to relax with a fascinating hobby one or two mornings a week. It also is a worthwhile outlet for restless children above the age of six. Next year's Christmas presents can be made for the family and friends and the last minute rush of buying will be avoided.
Articles made by friends and loved ones are always more appreciated than the store variety. As the size of the class is limited, early enrollment is advised, according to Mrs. Amy Williams, teacher of the course.

REDFORD TOWNSHIP DEMOCRATIC GROUP ELECTS OFFICERS
Following a well attended meeting at Husky Redford on Monday evening, the newly organized Redford Township Civic Association announced the results of the election of officers for the organization.
Elected to fill out the office of president for the first year was Walter Wisdom, secretary of the Allied Printing Trades (AFL). Florence Ferguson was elected vice president. Mrs. S. D. Smith will serve as recording secretary and Anthony Blackwell was the post of treasurer.
The newest addition to the parent Democratic organization in the township was founded for the purpose of political education.
President Wisdom stated, "We feel there is a need for the citizens of Redford Township to become better acquainted with and take more active interest in the affairs of their township. We propose to educate our club membership in the fight for more efficiency and economy in the township government."
