## Volunteer Workers Sought By YWCA

Interested persons should call the YWCA and ask for the staff member assigned to their communities.

THE YWCA is using the slogan, "The YWCA is Ready-Are You?" to conduct a campaign to notify women and girls of the programs and opportunities for service available.

Advisors are especially needed to supervise Y-Ette and Y-Teen Clubs in the schools. Volunteers are also schools. Volunteers are asseneeded to carry out summer day camps for children six to 13 in the areas of crafts, story telling, umpiring and coaching, directing games and helping bridge the communication gap between age groups.

VOLUNTEERS ARE needed to tutor slow students, transport children to events outside the area, to lead drama groups, chorus and musical events and to "just listen."

The YWCA offers women and girls clubs for all ages and interests. There are clubs for camping, cooking, community activities and creativity.
