Coal was being used in the Rocky Mountain empire more than 500 years before Columbus, according to investigations reported to the bureau of mines. ## Freedom Train

The Freedom Train is a project of the American Heritage Foundation. The train carries impressive exhibits of famous documents symbolic of historic actions which have secured freedom in this country.

The importance of its visit was emphasized in the August issue of the MICHIGAN STATE BAR JOURNAL which devoted its cover and editorial pages to the train and its significance.

Seldon S. Dickinson, Detroit, Chairman of the State Bar Committee on American Citizenship, in an editorial called upon local bar associations to give their time and support to the activities surrounding the visit of the train, adding that:

"Freedom is everybody's business. . . . The documents of the Freedom Train serve to remind us that the struggle for Freedom is an ancient one. Its maintenance has always required earnestness, resolution and sacrifice. . . . continued resolution and sacrifice is required in the present and will always be required in the future."

The tour of the Freedom Train is the longest tour in American history. It began in Philadelphia on September 17 and its 38,000-mile year-long journey will take it into every state in the union. Prior to the visit of the train to each community, a Week of Rededication is held in which citizens of all ages rededicate themselves to the American heritage, and pledge active co-operation to the rights of all Americans.

Admission to the Freedom Train is free and everyone is invited to go aboard to view the famous documents. Some of the exhibits are:

The Declaration of Independence, the Bill of Rights, Lincoln's Gettysburg Address, George Washington's Farewell Address, the Treaty of Paris, and others.

## ELLA JEAN AHERN IS BRIDE OF OSCAR AUTEN

Miss Ella Jean Ahern, niece of Mr. and Mrs. Edward Ahern of Hubbard Road, Plymouth, and Oscar Wendell Auten, son of Mr. and Mrs. Ralph Auten of Shawasssee Avenue, were united in marriage at the Farmington Methodist Church on Saturday evening, August 14. Rev. A. Stanley Stone performed the double ring ceremony. The church was decorated with gladioli for the candlelight service.

The bride came down the aisle on the arm of her uncle, Edward Ahern. She was gowned in an old fashioned white satin wedding gown, fashioned with a sweetheart neckline, long pointed sleeves, and a bustle ending in a long train. Her fingertip veil was held in place by a net crown and she carried an arm bouquet of white roses.

Miss June Gilchrist of Pleasant Ridge was maid of honor. She was dressed in a floor length yellow taffeta gown designed with a bustle. Her headpiece was of the same material and in the shape of a crown. She carried a matching bouquet of gladioli.

The bridesmaids were Mrs. Robert Muehrer, sister of the groom, and Miss Florence Konaszki of Plymouth. They wore identical gowns of aqua taffeta, with crown headpieces to match their dresses. They carried bouquets of colonial length gladioli.

The groom's brother, Ralph, was his best man, and ushers were Joseph DeVrient and Clifford Sterling.

Mrs. Edith Parker Stone sang "Because" and "I Love You Truly." Mrs. Ahern was gowned in a floor length dress of dark blue lace, with white accessories and picture hat and her flowers were pink roses. Mrs. Auten was dressed in grey with black accessories, and wore a corsage of pink roses.

Following the ceremony a reception for over 200 guests was held at the American Legion Memorial Home in Farmington. Following a short honeymoon in northern Michigan, the young couple will make their home in East Lansing, where the groom will continue his studies at Michigan State College.
