"Dividend savings reduce cost of Blue Ribbon Auto Insurance"

THELMA BASSETT  
Public Relations Dept.

"Paying dividends to our thousands of policyholders is a pleasant but mighty big job in my department because all motorists who insure with us get them annually. Naturally, these dividends mean that the cost of insurance to drivers who enjoy the positive protection of a Blue Ribbon Automobile Policy is substantially lowered. Wouldn't you like to enjoy these savings too?" ... says Thelma Bassett.
