### Dunckel Issues Report On New School Buildings

Superintendent O. E. Dunckel announced this week that work is progressing on all three new school buildings being erected in the Farmington Township School District.

The Superintendent reported that workmen are now pouring the reinforced concrete floor at the Noble William Grace area school. The school unit is located on Middle Road near 10 Mile Road.

At the Bond school addition work is proceeding on the plastering of the walls of the new classrooms. Interior partitions are being erected at the Farmington city school building, located on 10 Mile Road near Power Avenue.

## NOVI NEWS

By MRS. GEORGE WAITE  
TELEPHONE NORTHVILLE 950-33

Well, they are here again. What? The third party and modern and old time dances at the I.O.O.F. Hall in Novi. The first one of the season is on November 13, and thereafter every two weeks. John Green's orchestra will be on hand from 9:00 p.m. 'till one o'clock. Refreshments will be available as well as pop.

There was a group of Rehearsal ladies visiting the Brighton Lodge on Tuesday evening, seeing them initiate.

Mr. and Mrs. George Atkinson attended the chicken supper at Westminster Wednesday evening and they also had dinner at Pontiac at the home of the former's mother, Mrs. James Hogle.

Mr. and Mrs. Robert Ross of Detroit are the parents of a baby daughter, Dinah Lynn. Mrs. Ross is the former Dora Lou Hamilton.

Mrs. William McDonnell of Redford was a Saturday afternoon caller at the Waite home.

There will be a feather party put on by the Oldfellows at the hall on November 5, at 8:00 p.m. It is expected a large crowd will be on hand.

Mrs. Ann Zesson and Miss Joan Power attended a personal show for the latter at Birmingham on Thursday evening. They report a very lovely party and the bride-to-be received many lovely gifts.

Mrs. Lillian Miller, who was operated on in Sessions Hospital two weeks ago has returned home and is getting along fine.

The Junior Stubble's held a Halloween party at their home on Saturday night. About eight couples were present.

The George Hines entertained at dinner on Sunday, Mr. and Mrs. Gale Whitney from Berkeley.

The Halloween party put on by the community council at the school house on Saturday evening was reported as a great success and a wonderful time was had by all.

Lavell Lackey of the Army, who has been stationed at Fort Casey on Woodbury Island in Washington, is spending a furlough with his cousin, Doyle, and Lester Ward leaving on the 10th of November for New Jersey, where he reports before sailing for Germany where he expects to remain for 18 months.

On Saturday he and his cousin, Doyle, had dinner with friends in Flint.

The community was shocked on Monday morning to hear of the passing of Mrs. Arthur Power at the home of the Gus Zessons. The sympathy of all goes out to the family in this home. Mrs. Power will be buried on Thursday afternoon at 2:00 p.m. from the Thayer Funeral Home in Farmington.

WEEK END VISITORS  
Mrs. H. C. Shannour and daughter, Miss Charleen Shannour, of 23361 Lathrop, recently spent a week end visiting Mrs. Shannour's sister, Mrs. W. J. Taubert, in Benton Harbor.

To The Editor:

In a court of law a person can not be tried twice for the same offense. Not so in politics!

Last year certain charges were preferred against a Clarenceville teacher; around these charges raged a battle involving a school official and school board members. By a large majority, the people of this community showed that they desired a new superintendent and new school board members. The teacher in question was exonerated and his contract signed for this year. Two months have passed; nothing has happened which would change this state of affairs, but suddenly the old charges against the teacher are brought up and it is possible that he may be suspended. Don't these school board members realize that the same block which elected them can also toss them out? Do they have to ruin a man's character to settle their personal grudges and differences? For shame! Shame, too, to those people who will sign a petition undermining anyone's character, without so much as reading the paper they sign. Such ignorance is appalling.

From where I sit... by Joe Marsh

### "Husbands, Wives, and Marriage"

Maybe you read that survey published recently in a national magazine, entitled "Husbands, Wives, and Marriage."

It showed that among happily married couples, those who criticized themselves outnumbered those who criticized the other person. Among unhappily married couples, it was just the opposite—each tended to criticize the other.

That's the way it is in our town, as I guess it is in yours. Criticism, whether it's of a wife's taste for hats, or a husband's taste for pipe

tobacco and an evening glass of beer or ale, is a sure start towards unhappiness.

As for what made happy marriages, companionship within the home was listed most important of all. And from where I sit, a husband and wife who can spend an evening by the fire—with nothing more exciting than a mellow glass of beer, and a friendly conversation—are a truly well-matched couple!

we put the fire back in your Buick's fireball power

To get everything out of your Buick's purring fireball engine that the factory puts into it, you have to feed it a fat, juicy spark. The kind of spark an electrical system in good order always gives.

We'll check your Buick's electrical system—clean and regulate the distributor, generator and voltage regulator, go over the wiring inch by inch, clean or change your spark plugs.

But we do it with a difference—the combination of Buick care and Buick factory-engineered parts the keeper Buick always a Buick—says at its best.
