

## Breeding Groups Plan Conference

Problems concerning artificial breeding in Oakland county will be discussed at a meeting on November 24 at Lapeer, according to county agricultural agent Karl D. Bailey.

The conference of people interested in improving the artificial breeding associations will be attended by dairy specialists, inseminator-managers, and officials of local ABA's.

Subjects to be considered include the kind of inheritance used, breeding success in using artificial breeding, sanitation and health practices, feeding roughages, pastures, supplemental minerals, etc. Technical problems, securing of proved sires, and other matters will be discussed with a view toward improving the milk producing capacity of dairy cows in the area.

## WEST POINT PARK

By MISS L. A. AULT  
TELEPHONE FARM. 1461-M

Word from the Sidelinkers, who left West Point Park for Florida early last week is to the effect that they were camping in Kentucky last Wednesday.

Mrs. Lucile Linnberg, from Detroit, was visiting with Mrs. George Webb on Monday.

Mr. and Mrs. Walter Rehahn were calling in Ann Arbor Wednesday morning.

Mrs. John Timmer, from near Muskegon, was the house guest of her brother, Edwin L. Johnson and his family, on Clarika, most of last week.

In an unfortunate accident, two-year-old Dolores Varhol had her hand and arm drawn through the wringer of the family washing machine at her home on Shadydale Avenue last Tuesday. However, no bones were broken and after treatment from a physician she began resting comfortably.

Mr. and Mrs. Edward Kochanek and their two children, from Detroit, were calling on Mr. and Mrs. Joe Roberts and in Farmington last Tuesday.

Mrs. Clinton Ault and son, Wayne, were calling in Wayne on Friday morning.

Mrs. Harvey Taylor and her daughter and grandson, from Detroit, were guests of Mrs. Walter Rehahn last Thursday.

Mr. and Mrs. Harold McVicar and their four children spent Sunday with Mrs. McVicar's sister and family in Howell.

Wallace Buckingham is ill with a throat infection.

Mr. and Mrs. Russell Ault were over on Hugo Avenue Saturday night attending a birthday celebration honoring Mrs. Earl Cooke. The affair was a very pleasant little affair.

With the ladies of her immediate neighborhood as guests, Mrs. Funk gave a luncheon party at her home on Shadydale Avenue last Thursday.

Mrs. Forrest Ault and children accompanied Mrs. Leo Woods, of Inkster, on a trip to Flint Sunday.

The Norman Kauranen, who have acquired a new television set, entertained a number of friends at a "Television Party" Friday night.

At her home on Farmington Road, Mrs. Carson tendered a lovely stork shower Wednesday to Mrs. Dixon, of Shadydale Avenue. Guests included a number of relatives and friends.

Mrs. Emerson Ault spent Sunday afternoon and evening in Monroe, visiting her son-in-law and daughter, Mr. and Mrs. Tom Roberts.

Mrs. Walter Dixon, Bretton Road, has been ill with bronchitis and confined to her home most of the time for several weeks.

Judy Muir, Shadydale Avenue, had a grand birthday celebration tendered her by relatives and friends Sunday. Judy was five years old.

Mrs. Norman Kauranen had her parents from Detroit as dinner guests Sunday.

Mrs. John Attama has been much "under the weather" the last week.

The McMillans, from Detroit, spent Sunday with Mrs. McMillan's parents, the Ira Magnens. Mrs. Magnen has been ill with a severe cold.

Joanne Willet, who has been quite ill, is greatly improved and expects to return to school this week.

A Good Will Industries truck was out this way making collections last Monday, and seemed to be well-laden for the return trip. At each home visited there was left a large bag in which odds and ends could be stored for the next collection. Regular contributors receive notification when trips are made. However, a card or telephone call will usually bring out the truck for a special collection.

The Good Will Industries is a most worthwhile enterprise, since it not only makes it possible for small income families to secure clothing and household necessities at a low cost, but gives employment to handicapped persons who might otherwise be obliged to live solely on charity.

Rev. and Mrs. Axel Edwards,

from Royal Oak were calling in this community Sunday.

Mrs. Mary Peterson and her three children, also her aunt, Mrs. Bergman, all from Wayne, were visiting in West Point Park Sunday.

Mrs. Homer Coolman, Mrs. Wagner, Mrs. Russell Ault, Mrs. Imonen, Mrs. Chavay, Mrs. Simpson, Mrs. Willet and Mrs. Tallman were among the Livonia Township women, who, last Thursday, attended a Wayne County Health Guild meeting held at the Madonna College, Felician Sisters, on Schoolcraft, corner of Newburg. First on the program was an elegant luncheon, served by the sisters.

The afternoon lecture was given by a speaker from Parke-Davis, and was on the subject "Getting More Mileage Out of the Human Race". All the visitors greatly enjoyed a tour through the college buildings, which contain many art treasures and beautiful furnishings.

The next Health Guild meeting will be held on March 10 at the Kaiser-Frazer Corporation and the speaker will be Dr. Clifford H. Keene, Medical Director of the Kaiser-Frazer Corporation.

Sunshine Sisters held a profitable meeting in the Neighborhood church last Wednesday. Dessert lunch was served from 1 to 2, or while the ladies gathered. The meeting proper began at 2. Devotional exercises were of a patriotic nature. Mrs. Ira Magnen and Freda Ault contributed readings for the Sunshine program.

Certain reports were made and action taken toward repairing the roof of the church building. Mrs. Cecil Willet is now recording secretary for the Sunshine Sisters. The next Sunshine meeting will be held in the Neighborhood Church at 1 p.m. Wednesday, November 17. This will be the Thanksgiving meeting and a program appropriate to the occasion will be lined up.

At the afternoon service in the Neighborhood Church Sunday, tributes were paid to the memory of Mr. Peterson, a former member of the Bible School, and who passed away in the late summer. A song-service consisting of Mrs. Peterson's favorite hymns opened the program. A season of prayer and a Scripture reading on the "Resurrection" followed. Two poems, "My Father's House" and "Snow" sent by Miss Peterson to friends here only two weeks before her death were read and commented upon. A handsomely bound, large-print New Testament, placed in the church "In Memory of Mrs. Peterson" was inspected and a prayer of dedication made. In closing, Reverend Axel Edwards, guest speaker, gave a fine talk urging all to higher spiritual ideals and greater efficiency in Christian service.

The Livonia Methodists report a large sum raised for church needs by Friday's bazaar, supper and accompanying feature. Torrents of rain did not prevent a large attendance.

## MACHINERY NEEDS CARE

Good care lengthens the life of farm machinery, say agricultural engineers at Michigan State College. With the end of the harvest season at hand, machines with broken parts should be repaired or

tagged for future repair and the needed parts ordered.

A good job of cleaning and lubricating, plus weatherproof storage, will help to keep machinery in good shape for spring work next year.

## To Dunk or Not To Dunk?

Dunking doughnuts is Sober Hopkins' favorite morning pastime... and for a long time Ma Hopkins has been trying to break him of the habit. Feels it sets a bad example for the children.

So one morning she puts a heavy frosting of chocolate on the doughnuts... figuring that will stop him. Sober thinks it over for a while and then: Dunk! Taste! Smile!! And Sober compliments the missus on the lovely mecha flavor!

I guess there'll always be two schools of thought: to dunk or not

to dunk. But from where I sit, it's a matter of personal choice and taste—like some folks prefer beer to older, also to beer. And the less we criticize those differences of taste, the better.

In fact, Ma Hopkins got so curious about the flavor of chocolate-covered doughnuts dunked in coffee, that she tried it herself. Now— you've guessed it—she's a daily dunker, too!
