WEST POINT PARK

By MISS L. A. AULT
TELEPHONE FARM. 1461-M

At Mt. Pleasant Hospital November 11, a son, Larry Jon, was born to Mr. and Mrs. Edward Brugman, of Mayfield Avenue.

Mr. and Mrs. Forrest Ault attended the football game at Ann Arbor Saturday. They were accompanied by Mr. and Mrs. Tom Roberts, who came up from Monroe to attend the game. Miss Beth Anne Ault was the guest of her grandmother, Mrs. M. E. Ault, for the day.

Mrs. Joseph Roberts visited her daughter, Mrs. Edward Kochanek, and her two children, in Detroit Thursday.

Mr. and Mrs. Lewis Hubbard Avenue, spent Saturday evening with friends in South Lyon.

The two-year-old daughter of Mr. and Mrs. Finn, Hubbard Avenue, is reported quite ill.

Mrs. Harold McVicar, Shadydale Avenue, is ill with a bad case of laryngitis. Her mother, Mrs. Marvin Addis, who resides with her, is only just now recovering from a week's illness.

During the week end Judy and Linda Muir, daughters of Mr. and Mrs. Arthur Muir, were reported on the sick list.

Mrs. Alfred Fletcher, Osmus Avenue, has been ill several weeks with a bronchial infection.

Mr. and Mrs. Herman Schult and a son, Alfred, left early Saturday morning for Grayling. They intend doing some deer hunting.

Mrs. Clyde Buckingham spent Armistice Day in Detroit.

Ray Ackerson, from Detroit, was calling on Folker sub. relatives and friends Wednesday. Later, he went north to do some hunting.

Rev. and Mrs. Waldener, home missionaries just now doing some special work for one of Detroit's larger churches, were calling upon Miss Lora Ault Wednesday afternoon.

Harold McVicar, Cecil Willet, Robert Melvin and "Junior" Fletcher were among the neighborhood men who left this week end to hunt deer at various points in the north.

Mrs. Charles A. Armstrong and her sister, Miss Maude Gallagher, Mayfield Avenue, were calling at Mt. Carmel Hospital Friday.

Thursday, Friday and Saturday, Mrs. James Simpson, Mayfield Avenue, was in Mt. Carmel Hospital calling on her daughter, Mrs. Edward Brugman, who resides with her.

A note from Mrs. Joseph Side-Lier, who, with her husband, the West Point Park for Florida Monday morning, November 1st, states that they reached their destination about 5:30 p.m. Saturday, the 6th. Mr. Side-Lier, who was suffering from back injuries received in an accidental fall, is feeling much better. For the winter or several months the couple will make their home with Harry Hogland. Mrs. Stanley Schilling, who left West Point Park at the same time as did the Side-Liers, reached Plant City Wednesday evening and is staying with friends.

The invalid grandfather at the John Allen residence on Mayfield Avenue had another very bad attack last Tuesday.

Mr. and Mrs. Smith and their four children, from Kentucky, are the new occupants of the home of Margaret Martin house on Hubbard Avenue.

Glen Vance has returned home again from Veteran's Hospital.

Mrs. Homer Coolman gave a Blue Star luncheon at her home on Shadydale Avenue on Wednesday. Proceeds were for the benefit of veterans being cared for in Maybury Sanitarium. The Women's Sewing Group, which gets together every other Wednesday, instead of following their usual procedure, attended the luncheon.

Neal Wyman, from Orion, was calling at the Scheit residence last Tuesday evening. Mr. Wyman has been discharged from the hospital, where he received treatment for a number of minor injuries received in a traffic accident.

Walter Dixon, from Bretton Road, was calling in the Folker sub. Wednesday evening. Mr. Dixon is now near West Branch, where he expects to enjoy a week of deer hunting.

Mrs. George Strassburger, a former West Point Park resident now living near St. Petersburg, Florida, is recovering from an 18 weeks illness with heart trouble.

Mr. and Mrs. Candlish, of Seven Mile Road, visited Niagara Falls in Canada last week end.

The Prayer-Bible Study Group of the Neighborhood Church is now, with the opening of the winter season, stepping into homes of the locality Thursday night. Last week they simply "walked in" on Mrs. Walter Rehahn. Usually they will try to visit homes where there are shut-ins or sick.

Sunday is a big day in the Neighborhood Bible School. A fine attendance greeted Rev. and Mrs. Waldener, who were present to conduct a special service. The Waldeners are home missionaries, who, for a few weeks, have been lending a hand to the Elm Baptist Church in Detroit. Their sincerely spoken messages brought a ready response from the Bible School group.

A solo "Jesus Loves Even Me" by Mrs. Waldener, was especially appreciated.

A special Thanksgiving service is being planned for in the Neighborhood Church next Sunday afternoon at 4:30. The Thursday night prayer-meeting for Thanksgiving week will also take on the nature of a special service and be held in the church instead of a home.

The Livonia Methodist ladies are hard at it again. They have a wedding dinner and a fellowship dinner to arrange for; a play which demands memorizing, practicing and rehearsing; and sandwiched in between must begin sewing for the spring bazaar.

The Lakeland Singers met at the home of president Mrs. Don King on Wednesday, November 10, at which it was planned to hold a monthly social hour and New Year Reunion of all members some time in January.

The Lakeland Singers group meets at the Walled Lake High School Monday evenings at 8 p.m. New members are always welcome. It was announced, and anyone interested in joining the group is urged to get in touch with Mrs. Don King, 761 East Lake Shore Drive, Walled Lake.

when baby needs a new pair of shoes

It doesn't pay to gamble with brake shoes, linings and other parts. And when long miles of hard traffic driving have finally taken their toll, there's no gamble in having your Buick baby's brakes brought back to like-new shape by your Buick dealer.

We replace worn shoes and linings with brand-new, factory-engineered Buick brake parts. NOT pick-up replacements. We re-machine and true-up your brake drums, check hydraulic lines and cylinders for leaks and fluid loss.

Using Buick-engineered parts makes certain that your Buick is always a Buick—and all that a Buick ought to be. Particularly when the work is done by the men who know Buicks best.

Your "Telephone World" Is Getting Bigger Every Day

Your telephone is such a reliable instrument that perhaps you never stop to think how it increases in value to you day after day.

It becomes more valuable, more useful, because we are constantly adding more telephones to the system. That makes it possible for you to call more persons, do more telephone errands.

It may be a friend you haven't talked to in years, a relative who lives a great distance away . . . a professional or business man you want to reach in a hurry. Whatever the reason, your telephone is always ready to serve you better—in a wider and wider field.

Can you think of many other things that grow in value every day?
