The Missus "Ducks" Out

Slim Hartman took his missus duck hunting the other day. And after five hours of sitting in a swamp, she'd had enough! Going home, Slim reminded her good-naturedly of the time she'd taken him to a woman novelist's lecture, and insisted that he sit it out.

So now the missus and Slim have an understanding. No more duck hunting for her—no more lectures for him. They decided each to his own taste.

It's because they can agree to disagree like that, I think, that

TUITION COSTS PROVE HIGH AT SOUTHFIELD

The Board of Education of the Township School District of Southfield Township, stated Glenn W. Levey, business manager, has recently been billed for \$58,625.59 to cover tuition costs of local pupils who are being transported out of the Southfield district to high schools.

Mr. Levey pointed out that payment of this sum is necessary because the local district has no high school. Continuous court action against the district since consolidation has prevented any school construction to date.

High school districts where Southfield high school pupils are enrolled, and the amount of tuition due each district include Bloomfield, \$252.00; Farmington, \$675.00; Clarenceville, \$75.00; Detroit, \$11,135.00; Madison, \$50.25; Redford Union, \$2,254.84; Birmingham, \$595.00; Berkley, \$12,419.49; Royal Oak, \$14,190.00 and Highland Park, \$1,951.00.

Mr. Levey further stated that to this above cost must be added high school transportation expenses in excess of an estimated \$15,000.00.

Postmaster Warns Of Late Mailing

Postmaster Norman C. Lee warned today that "a serious last-minute jam in holiday mail delivery" is possible here if too many persons continue to "delay mailing their Christmas cards and packages. "When the dam does break, we'll be really flooded," he observed apprehensively.

All Christmas cards for out-of-State delivery, and all parcel post packages, should be in the mail now to assure their arrival before Christmas, he said. If cards or packages are not ready until after this date, he advised using air-mail. Otherwise some of them may not be delivered until after Christmas.

Christmas cards for local delivery should be mailed at least a week before Christmas.

"Envelopes and packages may be marked 'Do Not Open Until Christmas' if desired," the Postmaster advised. "Such notices are permitted both on parcel post and on regular mail, including Christmas cards sent third-class with a 1½ cent stamp."

The Postmaster warned that envelopes of third-class mail may not be sealed.

SOUTHFIELD PUPILS PRESENT RADIO PROGRAM

Several pupils from the Southfield School District participated in a recent radio broadcast over Station WCAE in Pontiac.

Diane Beria, an eleven year old pupil at the Southfield School played a piano solo entitled "Theme from Piano Concerto in D Minor". The second number was a dramatic reading entitled "Credo of an American Child" given by Left Erickson who is twelve years old and in the seventh grade at Bruce School.

The third number of the program was a rendition of "Cello Lindo" by a McKinley School vocal

trio composed of Muriel Miller and Joan Holden, both thirteen years old and in the eighth grade, and Margaret Shaw, who is twelve years old and in the seventh grade.

The broadcast was one of the weekly series sponsored by the Eleventh District of Kiwanis International through the cooperation of WCAE, in which the various clubs of this area provide talent to appear on the programs. Kenneth Loomis is general chairman of the series.
