

SECOND-TIME AROUND -- Debbie Matelic from Dearborn Heights is single, but she models what the woman who is being married again might choose to wear. This yellow matte jersey dress features a bias collar which gently flows into a hood. The jacket and hood can be removed after the ceremony revealing a simple halter front and T-strap back.

"No Problem" Says

Sammy

That's the stock answer from America's most creative caterer, Sammy Lieberman. Nothing fazes him, no matter the size of the party or where it's scheduled to happen. His latest achievement par excellence was serving 100,000 gourmet meals to 36,000 people simultaneously in two cities.

1800 miles apart in less than 40 days. Sammy has also added something new to the Raleigh House: three public dining facilities... an Elizabethan dining room, an English Pub and "Sammy's" Miami-style delicatessen. So, if you have a catering problem, bring it to Sammy. The problem solver.
