Atom Film Viewed By Novi Baptists

Proof that atomic energy is not too technical to understand or too dangerous to talk about was presented at a free showing of "God of the Atom", a natural color scientific film, at 7:45 p.m., Monday, January 31, in the First Baptist Church of Novi.

"God of the Atom" has been shown to church and school audiences averaging more than \$5,000 a month since its release last September. The film is one of a series including "Voice of the Atom", produced by the Moody Bible Institute of Chicago.

The film was shown by a special Moody film representative, Mr. J. W. McCannell. Approved by the American Scientific Affiliation and commended by the Atomic Energy Commission, "God of the Atom" included actual photographs of the Nagasaki and Bikini explosions as well as scientific apparatus used in atomic research. Narration was by preacherscientist Irwin A. Moon, famous for his "Sermons from Science" demonstrations during World War II.

"It is a remarkable film with authentic scientific information," Dr. G. M. Shrum, head of the physics department at the University of British Columbia, stated after a preview there. Appearing in the film is Larry Johnston, young physicist, who aided in atomic development at Los Alamos and photographed all three wartime bombs as they exploded.

In an exclusive sequence, photographs of the giant 184-inch cyclotron at the University of California are shown. Concrete walls have been built around the cyclotron, which has been rendered dangerously radioactive.

"God of the Atom" concluded with a summary of the world crisis caused by the discovery of atomic power, and offers a unique solution to the problem.

FARMINGTON W.C.T.U. HOLDS MEETING AT HOME OF REV. STONE

The Farmington Women's Christian Temperance Union held its regular monthly meeting Tuesday afternoon, January 25, at the home of Rev. and Mrs. A. Stanley Stone, 33112 Grand River.

Rev. Roy L. Eastman, pastor of the Nazarene Church of Highland, Michigan, led the devotions. His topic, "A Stake of Purpose," was based on Daniel 1:8. Mrs. Eastman gave a var-colored Felt-O-Gram talk entitled "Rock of Ages," with her daughter, Mrs. Patsbury, singing the musical parts.

Mrs. Katherine Shaw read a letter from the WCTU State President, Mrs. Bessie Hurd, emphasizing this as the Diamond Jubilee year. Five dollars was voted the legislative fund, three new members secured, and a new president and new vice president elected to fill vacancies.

Musical for the meeting consisted of a vocal solo, "This Wonderful Savior of Mine," by Mrs. Olive Seitz, accompanied by Mrs. Roxina Hawley at the piano; a vocal duet, "Ninety and Nine," by Rev. and Mrs. Stone, which was followed by a request number, "Let the Lower Lights Be Burning," and group singing led by Mrs. Shaw. Refreshments were served by the hostesses following the end of the business meeting.

at Lansing last week. They were in agreement, so it is reported, that the secret primary should be abolished and that voters should declare party affiliation before they could enjoy the privilege of selecting party nominees.

Crossing of party lines whereby a Democrat tries to nominate a "weak" Republican candidate, and vice versa, has become a political factor in Michigan under the present system.

Cabley E. Dittin, Detroit election supervisor, said the secret primary was introduced 14 years ago by a Republican legislature in order to protect Republican officeholders in a New Deal administration. Later the legislature required separate ballots for presidential and state tickets on the belief that this separation would prevent Democratic state leaders from riding to election on the coat-tails of FDR. What happened last November? The dual ballot plan backfired. Voters favored Gov. Thomas E. Dewey for president, but switched over by hundreds of thousands to mark a cross in front of the name of Democrat G. Mennen Williams for governor.

The present reaction against the secret primary is also one aftermath of the defeat of Kim Sigler last November. People who voted "against" Sigler by voting "for" Williams are now inclined to condemn "placard" — the handsome face on the billboard, the oratorical voice on the radio, the happy personality on the platform.

Would a pre-primary convention serve as a check against these? You're going to hear more in 1949 of D. Hale Drake's crusade

ORCHARD CHURCH AUXILIARY HOLDS ANNUAL ELECTION

The Ladies Auxiliary of the Orchard Community Church held their meeting at the home of Mrs. A. Leonard on Tuesday, January 25. An election of officers was the business for the day.

Elected to office for the coming year were Mrs. A. Calhoun, president; Mrs. Loke Taylor, vice president; Mrs. K. Silver, secretary and Mrs. F. Stastek, treasurer.

Among the subjects discussed were the children's choir robes, which will be made by the ladies under the direction of Mrs. Don Pfeiffer. A bake sale was planned, which through the courtesy of Grimes Cleaners, will be held in their store on February 19.

After the business session, refreshments were served by the hostesses.

It was also decided that hereafter the meetings would be held every other Tuesday, and that the next meeting will be at the residence of Mrs. C. Carlson, 31725 Northwestern. The auxiliary extends a cordial welcome to all ladies who would care to become affiliated with the group.
