MR. AND MRS. V. E. NELSON

At a beautiful candlelight service held recently in the Salem Evangelical and Returned Church in Farmington, Miss. Avis Maki, the daughter of Mr. and Mrs. Womer E. Maki of Grand River Avenue, became the bride of Mr. Vernon E. Nelson, son of Mr. and Mrs. Howard Nelson of Liv. Ave. N.

The bride, who was given in marriage by her father, wore a beautiful gown of white slipper satin. The fingertip veil was held in place by a tiara of seed pearls. She carried a bouquet of white roses with a detachable corsage of white roses and carnations.

Mrs. Dorothy Sills, Matron of Honor, wore a powder blue taffeta gown and carried a bouquet of pink roses with white chrysanthemums.

The bridesmaid, the groom's sister, Mrs. Arthur Harrison, wore a dusty rose taffeta gown and carried pink roses and white chrysanthemums.

Mr. Nichols, of Wayne, Michigan, was best man. Mr. Arthur Harrison and Bob Harbour were ushers.

Harold Henke, of Farmington, sang "Because" and "I Love You Truly." He was accompanied by Mrs. Ruth Hammond at the organ.

Miss Pamela Lustig, the bride's cousin, was the flower girl. She wore powder blue taffeta.

Mrs. Maki, the mother of the bride, wore a turquoise dress with black accessories. Mrs. Nelson, mother of the groom, wore a fuchsia gown with black accessories. Both mothers carried white carnations.

The reception was held in the Farmington Town Hall. Luncheon was served to 150 guests.

Out of town guests included the bride's god-mother, Mrs. Ted O'Brien, of Juchio, Mo., and Mrs. Frank Orskavik from Cleveland, Ohio. Telegrams were received from Chicago, Illinois and Denver, Colorado.

The young couple left on their honeymoon trip through Canada to Niagara Falls immediately following the reception. They are at home in their new residence at 30753 Everett Street, Royal Oak.

PROPOSED BUDGET TO COST MICHIGAN NEARLY 2 BILLION

President Truman's proposed budget calling for federal expenditures of \$41,855,000,000 during the twelve months beginning July 1 of this year will cost Michigan taxpayers approximately \$1,600,000,000.

That is the estimate made by the Michigan Survey, a state taxpayer organization, based upon federal tax collections in Michigan, the state's share of the national income and population.

Henry Steffens, Survey director, urged that Michigan residents understand that this figure is "One billion, nine hundred and sixty million, nine hundred and twenty thousand dollars, or 5.7 times the \$41.8 million Michigan collects in taxes in fiscal 1948."

Michigan has an estimated population of about six million men, women and children. On a pro rata basis, he said, the President's budget will cost each of them \$326 next year.

Perhaps you do not believe that women and children should pay taxes. Figuring it another way - the Survey estimates that Michigan's 1,588,500 families will pay an average of \$1,234 to Uncle Sam next year.

Getting close to home, a Survey tabulation shows that, on a population basis, the new budget will cost the people of Oakland County \$2,752,568 during fiscal 1950.

What can the people of Michigan expect to receive for all these Washington-bound dollars? The Survey shows that approximately 1.63 per cent of the \$41.9 billion in contemplated expenditures are allocable to this state.

On this basis, Michiganders will spend more than \$314 million to finance U. S. relations with other countries, \$655 million for national defense and \$257 million for veterans' services and benefits - which adds up to more than two-thirds of the total Michigan costs for these three items alone.

Then Michigan taxpayers can expect to spend about \$110 million for social welfare, health and security, \$18 million for housing and community facilities, \$19 million for education and general research, \$78 million for agriculture and agricultural resources, \$37 million for natural resources, \$74 million for transportation and communication, \$5 million for finance, commerce and industry, \$9 million for labor, \$57 million for general government, \$255 million for interest on the public debt and \$7 as a reserve for contingencies.

According to Steffens, this is only the beginning. "In addition," he said, "there will be deficiency and supplemental appropriations added from time to time to carry the federal government through the year. Contract authorizations will be made for work that will run into more millions before completion. Still more billions will be added ultimately to the cost of federal government if new spending proposals are passed.

"People here at home, he said, "must realize that they themselves have to foot the bill for the services rendered by the federal government."

Mild winter weather will have its compensations for the spring trout fisherman. Without extremely cold weather freezing over the Great Lakes and larger non-trout streams, mergansers and other fish-eating ducks do not concentrate in the trout streams.

PIERSON PTA SEES ACCOMPLISHMENTS IN PAST YEAR'S WORK

In starting out its activities for the new year, Pierson School PTA recently took time to take stock and report its accomplishments of the past year, and was both surprised and happy to discover the number of varied items which had been donated through its efforts to the Pierson School.

Among the items contributed solely by the PTA was a new play-ground slide and jungle gym. With assistance from the Livonia Township Rotary Club, a new merry-go-round will also be added. The PTA thanks the club for its help and consideration, which is concurred in by the parents and children of the school.

A part of the PTA's future plans call for the inauguration of a new library, which is expected to be completed before the expiration of the present school term.

On Tuesday, January 27, the Pierson PTA was addressed by Dr. Genevieve Grotz, Director of Maternal and Child Health of the Wayne County Health Department. The nominating committee, because of the approaching date for the election of new officers, is anxious to receive suggestions from the members concerning possible candidates. Anyone desiring to present a nomination for a candidate is advised to contact Mrs. George Middlewood, Farmington 021; or Mrs. C. Buckham, Farmington 0985-M; or Mrs. E. Kivela, Farmington 2641-J.

WASHINGTON DIGEST

(Continued from Page Two)

ton, the vote sent him right back again, and they have been doing it ever since.

There isn't any question that Robert L. Doughton likes his job in Washington. But it's equally true that when the session is over, he likes to hit himself back to his Carolina hills and enjoy life there.

Around the capitol he has the reputation of being as good a judge of men as he is of horses.

This year President Truman's request for six billion dollars more in taxes, including some social security withholding levies, will get very careful scrutiny before it becomes law. Meanwhile, Doughton's committee has to take care of the bill to extend reciprocal trade treaties. Also, studies will begin on the subject of extending social security benefits. There is in addition the matter of certain revisions in the basic tax code.

But Representative Doughton is used to rabbit stew.

Trout fishermen have purchased 165,072 of the new trout stamps through December 31, 1948.
