**FARMINGTON
HIGH SCHOOL GYM
WEDNESDAY, MARCH 16, 8 P.M.**

Greetings from your Junior Chamber:

Since our charter night banquet in February, 1947, the Farmington Jaycees have embarked on a number of projects in all phases of their civic betterment program. In each case they have enjoyed a very encouraging degree of support from the merchants as well as from the citizens in their "turn-out" at our projects. Whether it be a Town Meeting, a "Fun Bowl", a scotch-tile bike taping, planting shrubs in the City park, or our last venture — the "Fine and Dandy Minstrels"; each time our calls have been met with a most gratifying response. We want to take this opportunity to thank you ALL.

Despite the recognition the Jaycees are receiving, there is scarcely a week goes by but what someone asks, "What is the Junior Chamber?" And the answer may surprise a few of you, since the Farmington Junior Chamber of Commerce is one of over 1100 such local organizations spanning the 48 states and the territories of Hawaii and Alaska, with more than 100,000 young men taking part in this work. The scope is even greater in that there are associate affiliates in 24 countries throughout the world in the Jaycee International. But getting back to our own home town — your Junior Chamber of Commerce is a civic service organization for young men between the ages of 21 and 35, inclusive. It is dedicated to two purposes: (1) Improvement and development of the community, and (2) Improvement and development of its individual members to train them for business advancement and civic leadership.

It is an organization wherein the young men of your community join together in a friendly spirit to inculcate civic consciousness in its membership by means of active participation in constructive projects which will improve community, state, and nation.

Sincerely
Nate Mihay, President
The Farmington Junior
Chamber of Commerce
