Wheat Acreage

The handy Navy "ditty bag" was first called "ditto bag" because it contained two of each item.

The "Sample Fair" is a dead giveaway — April 9.

it possible that a national wheat acreage allottment calling for a reduction in acreage for 1950 may be proclaimed by the Secretary of Agriculture, according to Walter R. Cook, chairman of the Oakland County AAA Committee. The proclamation of a national wheat acreage allotment is, required by law to be made each year by the Secretary of Agriculture prior to July 15, but in the past few years, because of the war and post-war, because of the war and post-war, the national allottment usually called for an increase in acreage.

If the national wheat acreage allottment calls for a catchack in wheat patient will be broken down proportionately among the States, the chairman said. The breakdown will be based on the past history of wheat and other crop acreages in the states, counter, and on each farm.

Starting in the near future, Mr. Cook said, township AAA com-
