SUNSHINE LADY SEEKS CARDS FOR R SHUT-IN MOTHERS

I never knew a night so black,
Light failed to follow in its track,
I never knew a storm so gray,
It failed to have its clearing day,
I never knew such bleak despair
That there was not a rift some-
where.

I never knew an hour so drear
Love could not fill it full of cheer!
Could you spare a bit of love to
cheer Mrs. Grace O'Dell, 18740
St. Louis Avenue, Detroit 12?

Twenty years ago, a proud mother
sent her beautiful daughter,
Grace, off for her first day at
school. On that day she fell and
has been shut in ever since.

It's also shut-in days for Marg-
aret and Barbara Horne. Your cards
will reach out here in care of
The Detroit T. B. Sanitarium, High-
land Park 3.

A card just saying "Hi!" will be
a great help to Mrs. W. S. Ingram,
49 Highland Avenue, Highland
Park 3. She has just returned to
her home from a long stay in the
hospital.

Little Marjorie Ann Balbough,
Alycekey Road, was awarded a
beautiful Henry Miller Orchid this
past week to help shorten her shut-
in hours.

These are happy days for Char-
ley Johnson. Mrs. Fred Johnson,
Mrs. Kitty Jennings and daughter
have been visiting him at Glen-
brook from their home in Canada.
Looks like life begins at 30 for
Charley.

Special thanks go this week to
Mr. Glen Thomas, 14801 Meyers
Road for his act of kindness to
the folks at Glenbrook.

This guest from England will be
celebrating a birthday on May 16.
What would be nicer than a shower
of cards from folks in this country?
Miss Elsie Treas, c/o 4056 Fair-
mount Avenue, San Diego, Califor-
nia.

May 1 is the birthday of Mrs.
Mary Johnson, c/o Glenbrook Hos-
pital, 20500 Newburg Road, Farm-
ington. Mary, along in her years,
is both deaf and crippled. A show-
er of friendly cards would cheer
her no end.

If you in Farmington have never
stopped to think, "What a friend-
ly place in which you live!" to
time. And you'll find you'll soon
be getting homesick. It's five years
now since we (Mr. and Mrs. and
our 5 children) left your friendly
place. Since then two of the child-
ren have married and we are wait-
ing for our first grandchild, due
any day now. But our hearts have
always been with you. So now,
we are spending our spare time
looking for a place tucked away
in the woods. A place that will
hold 5 noisy boys and a wee girl,
where Dad can plant his flowers
and I can go on writing to shut-ins
about the world. Then we'll start
living again.

I notice Farmington is having a
"Clean Up". Did you ever stop to
think spring is not only a good
time to clean up the yard and that
back room that gets all the junk?
It's a time to "clean up" those
hard feelings among friends and
neighbors. What a grand time to
be able to walk down the street
and have no hard feelings, to be
able to greet all with a cheery
"Hi!". It's time to clean out the
deck, and write all those past due

FLORAL PARK NEWS

By MRS. ROBERT KOOP

Anniversaries held the limelight
last week end. Celebrating their
fifth wedding date, Mr. and Mrs.
Robert G. Everett, 23224 Floral,
entertained at a cocktail party pre-
ceding the Town Club dance Sat-
urday evening. Some of the guests
present were Mr. and Mrs. Lester
Koski, Mr. and Mrs. Hal Whiting,
and Mr. and Mrs. Robert Larson,
all of Floral Park. The Everetts
have one daughter, Lynn Christine.

Twelve couples held a reunion
of the Aristocrat Club Saturday
night to help celebrate the Andrew
LaPresse's eighth anniversary. The
group went out for dinner and dan-
cing. The LaPresse's have two
sons, Philip and Tommy.

Thought you'd like to know
something about our new City Com-
missioner, James W. Cavanaugh,
27236 Floral. Mr. Cavanaugh is an
optician with the Thorne Optical
Company in Detroit. He was one
of the first to move into the new
subdivision, in September, 1947.

This is the first time in politics
for Mr. Cavanaugh and he's anxious
to do the best he possibly can to
serve the people of Farmington.

I asked Mr. Cavanaugh what his
hobby was, and he said that, like
the rest of us, he's breaking his
back and bankroll on his back yard.

Mr. and Mrs. Cavanaugh enter-
tained out of town guests at dinner
Saturday evening. They were Mrs.
Claire Quirk and Mr. and Mrs. Ned
Corbett from Chicago, spending
the week end in Detroit.

Women's Farm Bureau
Plans Trip To U. N.

The Oakland County Women's
Farm Bureau met at the home of
Mrs. Fred Uppcraft, 11140 Holly-
mill Road, April 26. Twenty-
five women were present.

A potluck lunch was served at
12:30 p.m., after which the business
meeting took place.

Mrs. Braid, organization chair-
man, introduced Mrs. Marjory Kar-
ker, who spoke on phases of Farm
Bureau work. (She urged all farm
women to write their senators
about the Anderson bill and the
oleo-butter controversy.)

A trip is being planned to a Unit-
ed Nations meeting on June 25.
Purpose of the trip will be better
international understanding for
Farm Bureau women.

At present, a move is being made
to bring a woman from Europe
to this country to see the American
way of life as guest at different
farm homes.

be a long one to mother, in honor
of her day, May 8.

you, send that letter to Mrs. Car-
ney, Mrs. M. Struth, Mrs. A. Gor-
