CM Hardware Opens Plumbing Department

The CM Hardware and Lumber Company have begun another large expansion program. They announce the opening last week of a completely new plumbing department.

The department will be managed by Richard Jacobs, widely known in Detroit plumbing circles.

CM Hardware was established in 1945. Lumber was added in September of the same year. The firm has rapidly advanced to become one of the largest one-stop builders' and home-owners' supply stores.

Fruit Tree Grafting Described In Folder

Top working fruit trees have many advantages for Michigan orchards say Michigan State College horticulturists.

Varieties can be introduced for pollination purposes, several varieties of different ripening seasons can be grown on a single tree and varietal weaknesses can be overcoming by top working.

A recently published folder lists methods of grafting. Materials needed, special techniques, and detailed instructions are given. The extension folder, F131, can be obtained from agricultural agents.

A giant mackinaw trout, nearly 25 years of age, died at a state fish hatchery in California. The 65-inch fish was hatched from an egg brought from the state of Minnesota, according to the California fish and game division.

Mr. and Mrs. Frank Clark, and Mr. and Mrs. Devere Mitchell, Mr. and Mrs. Bob Duns, Mr. Jack Crawford and Mrs. Ruben Ward attended a meeting and dinner at Holly on Wednesday evening in the interest of the Community Council.
