# OLDSMOBILE'S "ROCKET" GETS MORE POWER, MORE MILEAGE...FROM TODAY'S GASOL

Power Completely new, high-compression power! Power that sets this "88" Oldsmobile apart from every other car! That's the "New Thrill" action of the "Rocket" Oldsmobile's allera-advanced new engine that takes fullest advantage of today's fuels! It gets more exciting energy from less gas by using the Futuramic principle of high-compression. And the revolutionary thinking hehind the "Rocket" makes possible magical smoothness and quiencess!

To point up this brand new kind of performance, Oldsmobile hult a brand new kind of car—the Futuranic "88"? The "88" compact new Body by Fisher accentrates that "Rocket" Engine flash and dash! The "88" has Futuranis stipling! And, in the "88," Hydra-Matic Drive' teams up with the "Rocket" to give you extra gas economy and greater driving ease! You've got to try it to believe it! ("Rocket," Engine, and Hydra-Matic Drive as standard equipment, are also featured in the Series "98" Oldsmobile.)
