Mrs. Donald Bachelor gave birth May 29 to twin babies, a boy and a girl, at St. Carmel Hospital. The boy, Dean Donald, tipped the scales at six pounds, two ounces. Donna Gene weighed in at six pounds, 14 ounces. Mrs. Bachelor returned from the hospital to the home of her mother, Mrs. Clara Livingston, where she will stay temporarily.

Mrs. Edith Sarantus, Mr. and Mrs. William Knapp, and William Westlake were host and hostesses at an open house birthday party in honor of Mrs. Anna Westlake. It was Mrs. Westlake's 90th birthday. Dinner was served buffet style from a table decorated with candles, and a centerpiece made of peonies and roses. The honor guest received four birthday cakes from Wilma Tamam, William Westlake, June Dempsey and Mrs. Charles Bowman. Guests were present from Grand Rapids, Detroit, Walled Lake and Plymouth. Mrs. Westlake is the mother of 15 children, of which five are living. She has 22 grand children, 19 great grandchildren, and five great-great grandchildren. She received several beautiful gifts, and many cards.

Livonia Scout Troop Holds Outdoor Meeting

Livonia Boy Scout Troop II held an outdoor meeting for parents on the grounds of the Livonia Methodist Church on Seven Mile Road May 31. Demonstrations on fire building, first aid, knot tying and cooking were presented. An actual camp was set up to show parents what a Boy Scout Camp looks like. Pancakes and coffee prepared over an open fire were served.

Joseph Parniello was admitted to the Troop and received his tenderfoot rating.

Final plans for the camp-out this week end at the Howell Reservation at Brighton, Michigan, were made and all the Scouts are raring to go.

Boys over 12 years of age are invited to join the Boy Scouts and should call Mr. E. Kivela, Farmington 2941-J, for details. The number of spaces permitted in any troop is limited and membership in Troop II is growing, so don't waste time in making application. Doris Green of Elizabeth Lake wrote Joia.

Dear Editor,
To clarify the fire incident reported in your column "Around The Block" in the June 2 issue of "The Farmington Enterprise", we would like to state the following witnessed facts.

We were among the numerous onlookers of the fire at Baker's home on Sitawasse. After the fire was extinguished, we remained in our car due to the fact that the fire hose had been spread down the middle of the road. One of the firemen proceeded to play the hose at the lawn across the street, at a dog, some children, and as a final gesture of good humor, our car.

The water pressure cracked one of the rear windows, ruined the upholstery and flooded the floorboard of the car. All of us were soaking wet. The humor of the situation vanished at that point.

We wish to apologize for the pail of water hitting the firetruck. The water was meant for the playful fireman.

In view of the above facts, we trust that a corrected interpretation should be placed upon the entire incident.
