

Whitman Fox Terrier Takes Club Award

At the puppy match, held Sunday at the Larro Farm on North-western highway, James Whitman, 17, won the third prize in the wire and smooth fox terrier match with his unnamed (as yet) fox terrier pup.

The match was restricted to dogs under one year old. The Whitman entry's prize was rewarded in the two to four months class. The match was held by the Fox Terrier Club of Detroit, affiliated with the American Kennel Club.

James is the son of Mr. and Mrs. Earl K. Whitman, 22600 Brookdale.

The sackbut was an early form of trombone.

M.U.C.C. Office Reports Jobs Open

The M. U. C. C. Branch Office at 18210 Grand River Avenue serving the Northwest Detroit area has many job openings available to male workers up to 50 years of age, according to S. J. McLeod, Manager of the office.

The openings are from many Detroit factories with pay rates ranging from \$1.25 per hour and up with premium rates from 10 to 10 cents additional per hour for afternoon or midnight shifts. The openings do not require prior factory experience but the worker must be able to pass a physical examination.

McLeod stated that openings for females and highly skilled male workers were rare.

Next Sunday, June 19, Father's Day will be observed in the Neighborhood Bible School, and any boy or girl bringing a father with him or her will receive special recognition. The program will have some unusual features.

Michigan Improves Home Furnishings

Better and more attractively furnished homes are enjoyed by about 12,000 families in Michigan as a result of home furnishings projects completed in home demonstration groups during the last year.

In these groups women learned how to make slip covers, refinish and reupholster furniture and a great variety of other skills, reports Jessie Marion. She is in charge of this extension project at Michigan State College, and works through home demonstration agents and local leaders in reaching thousands of Michigan homemakers.

PONTIAC

A Product of General Motors

Two of America's Most Popular Motor Cars

Pictured above are typical examples of the two smart and separate lines of cars which bear the current imprint of Pontiac goodness—the Streamliner and the Christian De Luxe Sedan Coupes.

Each is in such demand that, on its own, it ranks among America's most popular cars today. That two cars of such decidedly different appearance should each enjoy such wide acceptance is easy to explain. THEY'RE BOTH PONTIACS!

While each has its own individualized smartness, both offer all the great basic Pontiac virtues. Both

are conspicuously beautiful. Both carry the well-known promise of Pontiac quality—long life, dependability, and fine performance. Both afford the smooth, enjoyable performance of Pontiac's two great engines—the power-packed straight eight or its equally famous six-cylinder companion.

Finally, both represent unusual values—a very fine product at a very low price. Either one you choose will make you mighty happy.

Hydro-Matic Drive, white sidewall tires, bumper acting guards and fender shields available at extra cost.
