V. Goers Honored At Swing-Out

Velma Goers was pronounced the winner of the Keith Johnson Memorial Award at the annual Swing-Out exercises held on Friday, June 10, at the F. H. S. gymnasium. Miss Margaret Lingo, who made the announcement, explained the history of the award.

It was established by the Class of '40 in memory of Keith Johnson, a classmate, in recognition of his citizenship and service throughout his high school years. Each year the award is presented to the senior who comes most nearly to the type of citizenship Keith practiced. Keith's sister, Patricia, made the presentation.

Collegiate awards were announced by Mr. G. V. Harrison. This year 7 scholarships were awarded to students of Farmington: Lore Leidy, University of Michigan; Fred Allen, NROTC scholarship with his choice of college (University of Michigan); Brian Burbank, University of Michigan; Dorothy Howard, University of Michigan; June Hunt, alternate to Highland Park Junior College; Fred McLean, Michigan State; and Bud Bryant, Lawrence Tech.

The class prophecy of events in 1951 was given by a cast including Carroll Lindbloom, Duane Leach, Dick Wheeler, Walter Stever, Carl Paschke, Brian Burbank, Alvin Lind, Marina Rosenboom, Virginia Harrison, and Anna Ferrante. The action of the skit took place in the "Maybe Duz Does Everything And Gets Out Dirt, But We'll Get You A Job Or Eat Our Shirt Employment Agency".

CHIT Seeger gave class gifts to Mr. Bell, Mr. Maatila, Miss Lingo, Miss Lyngkipp, Mr. Oliver, Mr. Harrison and Mr. Duncel. The gift to the school was the establishment of a fund for lights for the athletic field.

Also on the program were a piano solo by Dorothy Howard; "Riders In The Sky" sung by the Boys' Quartet (John Buck, Murph Churron, Sam Packard and Gordon Reval); and a poem written by the late Mr. Elkin, recited by his daughter, June.

Fred Allen, senior class president, presented the gavel to Jack Bore, junior class president. Jim Ratliff was the Master of Ceremonies.

The program ended as the graduates marched out, while the remaining students sang the school song.

**G.A.A. Holds Picnic
At Kent Lake**

If there are many sunburnt faces among the female species of high school age, it is only because the G.A.A. held a picnic at Kent Lake Saturday, June 11.

With twelve life-guards to twenty girls, they were well protected against any accidents, except possibly of the heart.

The girls left the school at 9:30 a.m. and returned at 2:30 p.m. They took box lunches and had watermelon for dessert. Miss Ann Metzger accompanied the group.

EDITORIAL

Well, it's summertime again, and with the many, long, hot days ahead, the impulse is to "take it easy" and have fun.

But to many of us it means getting a job, attending summer school, etc. To those of us who are working, many times will arise when we shall feel like quitting and joining the gang the next afternoon when they go swimming or on a picnic. But won't that extra money come in handy? Then, too, we also shall gain experience which will be useful later on.

Those who did not quite make the grade in school will find it tough going when they are playing away in school or at homework. They should pause a moment and remember that, if they give up, it might mean graduating a year later.

If we start something, we should finish it; and the feeling of satisfaction we shall have when the summer is over will make it seem worth while.

We can have fun doing routine things even though we may think it impossible. Our attitude makes a lot of difference. If we convince ourselves that we are going to be miserable even before we start, we will be. But if we leave our minds open, we may surprise ourselves and really enjoy ourselves.

No matter what we do, whether it is work, study or play, we should make the most of it and try to have a good time.

HERE AND THERE WITH THE ALUMNI

Patt Wheeler, Class of '47, was graduated from Ogontz Junior College in Philadelphia May 31.

Now that Albion College is out for the summer, we'll be seeing a lot of Marilyn Vivier and Bob Weaver around Farmington. Bob and Marilyn were freshmen at Albion last year.

Judy Rudberg, Class of '47, is now employed at Smith-Berling Ford Dealer.

Marjorie Morris, Class of '44, is employed at the Detroit Edison Company in Farmington.

Sgt. Norman Goers of the Marines, Class of '45, is stationed at Great Lakes Naval Base in Chicago, where he is an instructor.

Fun Program Starts June 27

The summer recreational program to be held at Farmington and Bond schools will begin June 27, according to Mr. William Nuss, director.

Various activities will be included in the schedule. Swimming instructions will be given on Wednesday at Cass Lake. The students will travel to the lake by bus.

Swimming, softball, tennis, horse-shoe, and volleyball will be among the main sports.

The recreational program will begin daily at 10 in the morning and continue until 12 noon, allowing a lunch hour until 1. At one, activities will resume until 5.

All boys and girls of school age are welcome to take part in the summer's activities.

Book Store Taking Used Books

The bookstore will be open to receive used books on June 17 and June 20 to June 24 from 9 a.m. to 4 p.m. No books will be accepted after Friday, June 24.

Only books which are in good condition so that they may be used again will be accepted. Loose papers should be taken out and pencil marks erased. When brought in, the books should be tied together securely with two Used Book Forms on top. These may be obtained from the office.

The purpose of this service is the convenience of the students and their parents. Seniors will receive cash for their books, while the other students will receive credit which will be carried over for their books next year.

In the fall the bookstore, located in the basement of the high school building, will open for the sale of books on August 29 to September 2 from 9 a.m. to 5 p.m. On Saturday, September 3, it will be open from 9 a.m. to 12 noon. It is preferred that books be obtained at these times to avoid a rush on the opening days of school.

Village, as well as treasure hunts, track meets, and other social tests will be included.

Quill And Scroll Elects Officers

By vote of the recently chosen Quill and Scroll members, officers for the coming year were elected Friday, June 10. This was possible because six juniors were members this year.

Those chosen were Anna Marie Ruch, president; Ann Plimpton, vice-president; Sally Stuntz, secretary; and Suzanne Labadie, treasurer.

Now that they have officers attending school, the Upsilon Chapter can begin their activities at the start of the school year.

Varsity Club Holds Election

At the Varsity Club election on Tuesday, June 7, George Barrón was elected president; Herbert Duebel, vice president; Dave Dirmeyer, sheriff, and Smokey Aschenbrenner, secretary and treasurer for the next year.

The varsity pins were awarded to 41 boys. These pins are a gold block F, with the word "Varsity" engraved on them.

Richard (Corky) DeVriendt, Class of '45, drives the ambulance for the Children's Hospital, Farmington.

The Best Things in Hudson Cost Nothing Extra!

... but just try to buy them in any other car at any price!

You're not asked to pay extra for the extra beauty you get only in Hudson - or for any of the other advantages that make the New Hudson - America's "4-Most" Car!

ONLY CAR WITH THE STEP-DOWN DESIGN

1-MOST Beautiful! A low build is the basis for really modern beauty, and the New Hudson, thanks to "step-down" design, is the lowest car of all - yet there's full road clearance.

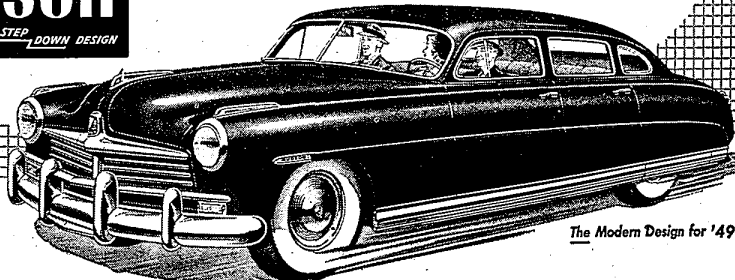

2-MOST Roomy! The most seating room, leg room to spare, amazing head room - the most comfort as you ride ahead of rear wheels and within the base frame, down where riding is most smooth, most relaxing.

3-MOST Road-worthy! Hudson, with exclusive "step-down" design and recessed floor, achieves lowest center of gravity in any stock car. Result: the safest, most hug-the-

road ride ever known - plus the advantages of unit body-and-frame construction.

4-MOST All-round Performance! Choice of high-compression Hudson Super-Six engine, America's most powerful Six, or the even more powerful Super-Eight, Center-Point Steering for easiest handling, Triple-Safe Brakes for utmost safety. Many more high-performance, low-upkeep features.

Yes, the New Hudson is so far ahead that it is a protected investment for your motor car dollars. See for yourself - with a thrilling Revelation Ride!
