Dear Sir:
Somewhat against my better judgment, I enclose check for \$2.00 to cover a subscription to The Enterprise for one year.
The question of judgment refers to whether to pay some of my honest debts or to "blow the works" in one great splurge and buy the Enterprise. Just think, for one solid year, I can read about the same people doing the same things in the same social set. How "ducky" to be able to read about local crimes and then to guess for ever after what steps have been taken to apprehend the culprits and their eventual downfall and the triumph of justice.

Your campaign for zoning laws is good and constructive, but why conduct it with so little youthful enthusiasm?
The column "Around The Block" is good. It is humorous, alive and up to date. Believe it should be a bit serious at times, as it carries a good deal of influence around the block.
In any event, the die is cast. You have my two bucks and I am at your mercy. Please be kind.
Very truly yours,
Arthur V. Thomas

TRIP TO ZOO ENDS TROOP 19 ACTIVITIES FOR CURRENT YEAR
June 30, at 10:30 a.m., girls of the Brownie Troop 19 met at the Livonia Methodist Church. With a quarter and their own lunch, the girls took their annual "Zoo Trip" and thereby ended the troop activities until next September.

A wide variety of courses will be offered, including instruction and practical experience in voice, band conducting, radio broadcasting and all instruments used in hand and orchestra performance. All students will participate in the specially organized band, orchestra or choir during their stay on the campus. Private lessons in all fields will also be available, Professor Sur said.

Harvey Barnes To Be "Shellback"
Midshipman Harvey L. Barnes, USNR, of 21019 Ontario, recently departed from San Francisco on a four-week cruise to Panama, C. Z. and the Galapagos Islands aboard the heavy cruiser USS Helena.
Over 1,000 NROTC midshipmen from twenty-seven different universities throughout the United States are participating in the cruise under the Holloway Plan.
The Helena is the flag ship of the first Task Force consisting of two heavy cruisers and four destroyers.
While on the cruise the ships will detour south across the equator for the traditional Naval initiation into the order of "Trusty Shellbacks" for all members who have not crossed the equator.

Six of the troop's girls will "tip out" next fall. They will leave Brownie work for membership in the regular Girl Scouts. These are Carole Boughner, Joanne Gagnon, Carol Hoff, Patty Kaiser, Judy Markham, and Grace McCain.
For Father's Day, girls of the troop made greeting cards, and sewed their father's initials on handkerchiefs.
