Harold A. Blough Wins Commission

Harold A. Blough, 33501 Grand River Avenue, Farmington, was among 250 graduates of the first 1949 class of the United States Air Force Officer Candidate School, Lackland Air Force Base, San Antonio, Texas.

The graduation, on June 30 at "The Gateway to the Air Force" base, included the first co-educational candidates in the history of the armed forces. All of the graduates who have successfully completed a rigorous six months course of training will enter on extended active duty as second lieutenants in the United States Air Force Reserve.

During the initial six months of their tour they will undergo a probationary period of on-the-job training at the huge San Antonio base, largest of Air Force installations.

Mr. and Mrs. Harold Kuehne, of Franklin Hills, have announced the engagement of their daughter, Beverly Jean, to Clifford John Steiner, son of Mr. and Mrs. Leo M. Steiner of Livonia, Michigan. Beverly Jean and Clifford are 1949 graduates of Farmington High School. They have set the date for the wedding.

Truck Jumps Curb, Shears Utility Pole

A heavy duty semi-trailer truck jumped the curb near the Farmington Lumber and Coal Company on Grand River early Friday morning, shearing off a utility pole and damaging two of the four new cars it was carrying.

The truck, belonging to the B&T Transportation Company of Detroit, was driven by George Relway, 27, of 3801 W. Chicago, Detroit. The driver was not held.

According to police reports, the truck was traveling 40 miles per hour. Cause of the accident was not immediately determined.

Two Scouts of Livonia Troop 11 have been advanced to Second Class Scouts. They are Homer Coolman, Jr., and Daryl Middlewood. One new scout, Robert Kilewood, was admitted as a tenderfoot.

Albino Doe Deer Found In Lenawee

A albino doe deer, a rarely seen in upstate deer country, has been photographed and spotted by several persons in Lenawee county, according to Charles Shuck, district game manager for the conservation department.

Robert A. Blough, outdoor writer for the Adrian Telegram, has the negative taken by Walter King of Madison township, Lenawee county.

The negative identifies the deer, but it is not clear enough for reproduction.
