A. Receipts		
1. Tax Collections		
a. Current	\$94,772.26	

ATOM BOMBER "RETIRE" - The famed B-29 "Enola Gay," from which the first atom bomb was dropped on Hiroshima, is now scheduled to take its place in the Smithsonian Institution. Above, Carl Miltman of the Institution accepts the records of the bomber from Maj.-Gen. R. O'Donnell, right, in ceremonies at the Chicago Air Fair.

FLORAL PARK NEWS

By MRS. ROBERT KOOP
23212 Floral - Phone 1104-M

Another "why mothers get gray" episode occurred last week at our nursery school. The children were being supervised by Mrs. Robert Everett and were at play on her screened porch. An ominous quiet prevailed among the children and when Mrs. Everett peeked in she threw up her hands in horror. All the children were frothing at the mouth! O, no! Another look proved that they were all having facials. Daughter Lynn had removed mother's head net, a lot of face mask cream from the dresser and the children proceeded in the way that they had seen their mothers do. All of them had a thick pink mask on and it was hardening. Well, it took some scrubbing to remove, and of course, they had spilled some of the rug and the furniture. And so another mischievous little event that makes life interesting in the bringing up of children! Mrs. Everett sadly removed the empy jar of expensive cream.

The tricycle set had another red letter day last week at Billy Morrell's birthday party. Mrs. Morrell started out with 10 invitations, for that was all the four-year-olds she could handle. But as those things go, little Billy kept running home for more invitations and the affair grew to 19 guests. The picnic table on the lawn was decorated for the party but fate and the weather man let loose with their sprinkling system. At the very last minute everything had to be rushed inside. Well, young Billy has a galaxy of new toys and all the guests, much to their mother's delight, came home with snappers and whistles. Assisting Mrs. Morrell was Mrs. Roland Isaacson, Mrs. Harley McIntosh, Mrs. Don McElroy and Mrs. George Weisback of Litch.

Another successful birthday party was engineered by Mrs. Robert Garrett of Floral to surprise his wife on her birthday last Saturday. I'm convinced he's a man of many talents. He baked the hams himself (not at home, of course). He made out the menu and gathered the food. What a man to be able to have a picnic dinner for 16 couples and their children. Why, I've torn out my hair at the mere thought of entertaining the many people Mrs. Morrell took to Mrs. Garrett on a wild goose chase and when they returned home, the tables were set and the guests were all there and Mrs. Garrett was floored with surprise. She received 7 beautiful cups and saucers to add to her collection.

Another birthday dinner Saturday evening honored Mrs. Roland Isaacson, Floral, at her home. The guests were Mr. and Mrs. Emil Hurlik and Mr. and Mrs. Robert Jackson, Huntington Woods. There was also a farewell dinner for Mr. and Mrs. Hurlik, who are leaving this week for Albuquerque. Some people seem to think that Floral Avenue is the main thoroughfare. There is one fellow

Meadowbrook Murmurs

By Mrs. Dean Eckert
PHONE 9337-M

"Meadowbrook Heights" subdivision, and we bet you're guessing. According to some folks, this is the East Farmington, and to the old timers, it's Norwest Clarenceville. Technically, however, it is the west half of the triangle formed by Middlefield, Eight Mile and Grand River Avenue. And it is one of the most picturesque neighborhoods in Farmington Township. Even though our water faucets are running slow these days, we're sort of grateful because of the new gas lines in our streets. Some of us aren't quite sure of what street we live on now. For instance, Art Hopkins has been happily residing on Saginaw Street for 12 years now, and doesn't approve of the "move" to Scotten Avenue. How-

From where I sit... by Joe Marsh

For The Ladies: A Diet That Really Works

We went out visiting the new diets and the ladies were talking about weight-reducing diets. One of them had a special "15-day Hollywood diet" guaranteed to slim her down fifteen pounds' weight. Another was living on bananas and skim milk!

I might have known the missus would get the bug, too, and sure enough the other day she asked me, "Joe, what kind of a diet do you think I ought to go on?"

"Mother," I said, "the only diet I would ever recommend to anyone is simply moderation. I wouldn't

ever, the new signs are too pretty not to keep, and a change of address is supposed to be good for one — as long as we don't have to pack our guitars!

Folks must like it out this way for there is a good deal of building going on this summer. The Robert Dennis family on Dresden have extended their small place into a lovely ranch-type house, and their neighbors across the street, Mr. and Mrs. Carlyle Haight, are busy completing a new two-bedroom at the back of their home.

The new "addition" at the Don Schlack residence on Roosevelt Street is winning lots of praise from the next-door neighbors, Mr. and Mrs. Allan D. Hedley. Reason being that the new addition is Thomas Walter Schlack, the Hedley's new grandson. Mrs. Schlack is the former Margaret Hedley.

Mr. and Mrs. Harold House and family of Roosevelt Street recently entertained her father, H. B. Hoke, and her sister, Miss Naomi Hoke, of New Carlisle, Michigan.

Conspicuous from a recent operation is Miss Regina Centala of Detroit, who is having her rest at the home of her sister, Mrs. J. N. Canfield of List Street.

Mrs. John Stolliker of Dresden has been enjoying a visit from her sister, also. She is Mrs. I. C. Holden of Toronto. Mrs. Stolliker's family at home recently decreased when her son and family, the Bill Stollikers, moved to their new home at 21110 Ontario.

Recent out of towners were Mr. and Mrs. Maurice Waack of Scippen Avenue, who spent their vacation at a cabin near Mio, Michigan. Since this is Mrs. Waack's home town, they visited old friends and relatives.

This week it is Mr. and Mrs. Clarence Billing, 21124 Middlebelt, who are the lucky ones. They are spending the week with their family at Oscoda Lake.

The South Novi Farm Bureau met Tuesday, July 19, at the home of Mr. and Mrs. J. W. Erwin on 10 Mile Road. Because of the busy farm season, attendance was small; eight members and two guests were present.

Chairman J. W. Erwin called the meeting at 9 a.m. In the absence of the regular discussion leader, Frank Dunham, talk was guided by chairman Erwin. Main topic of discussion was the Rural Health Program and Blue Cross Insurance.

A game was lead by Mrs. Edward Gottschalk. The meeting was adjourned and refreshments of apple pie, ice cream and coffee were served.

It's "Buick weather" - and are you ready?

This time of year your garage doors open onto a wonderful world of fun, wide and fresh again — waiting for you and your Buick!

Great highways where you breeze along — shaded narrow roads leading you back to the hills, or to a piece of water you want to see again — you'll take them equally in your stride if your Buick's in top-flight shape.

How about letting us put it in that shape for you?

Get one of our conscientious motor tune-ups, and one of our thoroughgoing Lubricare treatments. We'll put the bounce back in your motor — while we're taking the bounce out of your ride.

We do this well because we're Buick men. We know your Buick, we've studied correct factory methods for each operation, we know the factory specifications your car was built to. We use genuine Buick parts — even special Buick tools!

Yet you don't pay a penny more for all these extras. Stop in this week, won't you?
