SUNSHINE LADY SAYS SHUT-INS PROUD OF CARDS

Last Sunday, I called on a shut-in who has been mentioned in the past as a person in need of cheer. She was so proud of her beautiful cards, sent her by the readers. Although the number wasn't great, the cards did the work of cheering her a great deal.

To date I have received many cards, asking me who is to be thanked for the lovely book marks sent them in their get well cards. I, too, would like to know. The cards are signed simply "Rose" and have a Farmington postmark. It's good news that little Marjorie Balbough, Alycekey Road, is much better after her long illness. Remember my asking if anyone would like to send some children from the Farmington area to camp for a week? Perhaps you would like to know the Salvation Army has come through with an offer to send not only the children, but the mothers also, to a week's stay at Arkville, Michigan. We don't know about you, but we think this is pretty wonderful.

We understand that Arthur Orfino, 28125 Greening Avenue, Farmington, is in need of our thoughts. Remember him with a card or a friendly note, won't you? Miss R. Richards, Church Street, Callington, Cornwall, England, is a school teacher who has many little ones in her class who need building up. We think it would be nice of some Scout or Cub Troop to send them a CARE package. Anyone who would like more information as to their needs may call Mrs. Grimit, VE. 6-8454.

I wish to thank Mrs. Edith Westland for her note. A badly cut hand is keeping me from doing much writing. But I still like to receive mail.

The Sunshine Lady,

20 per cent less than COST rent in private housing.

How much is all this going to cost the federal taxpayer?

Quoting Foley: "The maximum possible total, with \$10,000 units, comes to around \$12,000,000,000 — (12 BILLION DOLLARS)." The rent subsidies are estimated by Foley to come to around 7 BILLION dollars, spread over 30 to 40 years.

Who pays the cost of running the local housing authority? The administrative overhead is covered by money obtained from bonds and rentals.

How much can Michigan get out of the federal housing aid? Not more than 10 per cent may go into any one state.

Farm housing benefits are also available. In fact, submarginal farms (those which are not self-supporting) may obtain an outright gift from the Great White Father. A fourth of a billion dollars has been set aside for housing loans to farmers who cannot get private loans.

In 1929 the Federal government spent \$1.3 billion on goods and services; \$2.2 billion in 1939; \$21 billion in 1948, and an estimated \$28 billion in 1949. The 1950 spending will be close to \$30 billion with a treasury cash deficit of \$5 to \$8 billion.

Well, there it is: The public housing program in a nutshell. Your community is interested, officials may write the governor's office at Lansing for details.

Racing Costs Two \$120 In Fines

Judge John J. Schulte Thursday gave evidence of the fate awaiting speedsters.

Wesley Allen Priebe, 17, of Royal Oak, and Christopher O. Conkey, 24, of Highland Park, were brought before him Thursday afternoon. They faced charges of reckless driving, running red lights, and excessive speed. According to State Police, Priebe and Conkey had been apprehended July 25 racing on Northwestern Highway.

Both were fined \$50, plus costs of \$10, or offered 45 days in the Oakland County jail. They chose the fines. In addition, the judge is recommending that the Secretary of State revoke Priebe's driver's license — he has been ticketed twice previously, once for speeding and another time for running a stop sign.

Priebe's mother, present at the proceedings, was not satisfied with the judgment rendered. She claims the fines were not just punishment for the youthful defendants, because their parents had to pay the fines. The judge countered that the fines did not have to be paid; the alternative, 45 days in jail, was available.

Thereupon, the woman expressed surprise at the heavy fine, stating she "didn't think it would be more than \$25."

According to State Police, 50% of all highway fatalities are caused by drivers in the 17-22 age group.

Jan, an admirer of columnist Westbrook Pegler.

And when Pegler called labor leaders "despots, criminals and Communists" at a congressional hearing, young Kennedy resigned from the sub-committee, after first protesting the manner in which Chairman Andrew Jacobs of Indianapolis was grilling Pegler.

"Why don't you let somebody else ask some questions?" asked Kennedy. "Representative Sims (R-Ia.) would like to ask a few."

"You've got your ideas and I've got mine," shot back Jacobs. "You'll get your turn after I get through."

NEW YORK POLITICS
Former Gov. Herbert Lehmann and New York Boss Ed Flynn have been playing cat-and-mouse over who will run for Bob Wagner's senate seat.

They held two secret huddles, during which Flynn tried to get Lehman to announce his candidacy for the senate immediately.

Flynn didn't say so but, if Lehman announced right away, the way would be clear for Flynn's friend, Brooklyn Borough President John Cashmore, to be Democratic candidate for mayor of the city's largest city.

Lehman, however, knows he'll have a tough fight to win the senate seat in November, so he wants a strong candidate on the ticket with him for mayor — and not John Cashmore. That is why he refused to announce until assured who his running mate will be.

NEWS CAPSULES
Senate office scramble — John Foster Dulles' arrival in the senate has started a scramble for offices.

Twenty-five senators are planning to trade offices — just to make room for the new senator from New York. What happened is that under the seniority system, Dulles is just man on the totem pole and not entitled to the choice office vacated by Senator Wagner.

Next in line is Senator O'Mahoney of Wyoming.

Jerry Brunk Gets Boot Training

Jerry E. Brunk, seaman recruit, USN, son of Mrs. Mary Louise Brunk of 21630 Parker, is undergoing recruit training at the world's largest Naval Training Center, at Great Lakes, Illinois.

Recruit training is the sharp break between civilian and naval life in which the new Navy man learns the fundamental principles of the Naval service.

In the course of his training, the recruit is taught seamanship, Navy customs, terms, basic ordnance, gunnery, signaling and navigation.

Upon completion of his training the recruit is assigned either to units of the Fleet or to a service school for specialized training.

"MY FORD DEALER PROVED HE WAS MAKING THE BEST TRUCK 'DEALS' IN TOWN!"

"When he topped the best previous offer by \$100, my Ford Dealer proved he was making the best truck 'deals' in town," says Sam Peristen.

"But that isn't all. I figure I made another \$150 by trading rather than waiting. Used truck values were slipping so fast I would have lost \$150 on the old truck if I had waited another 60 days."

"I acted fast. Got my new Ford fast. And I have been saving on gas, oil and repairs in the meantime."
