Election Returns by Bell Telephone.

The Michigan State Telephone Co. has arranged to furnish its subscribers throughout the State with returns of the State and National election on the night of Nov. 3d. To furnish the returns requires the co-operation of every telephone company connected with the "Bell" system, including the Long Distance Co., known as the American Telephone Co. The returns will be forwarded by the agents in each town to a central switching point and forwarded to every part of the State, and to every state of the Union. This service is furnished free by the companies of the "Bell" system and represents an enormous expense. To handle the work it will require many thousands of men and women, and the use of the long distance telephone lines, which if figured at the regular commercial rates, would run into thousands of dollars. The Bell Telephone companies without doubt are in a better position to furnish service of this kind than any other telephone or telegraph company in the world, as in many districts the rural lines of the Bell Companies are the only means of communication.

C. M. DOHERTY, Local Manager.

Where have the old campaign rallies been held? Where are all the men who wore their red shirts and the men who as marshals of the day wore sashes of red, white and blue? Where are the girls who as goddesses of liberty wore white with gold crowns and red, white and blue trimmings? Etc.

Pleasant Valley.

Mrs. Joseph Graham and son Maurice and Mae French spent Sunday with Mr. and Mrs. John Graham of North Farmington.
Miss Mildred Simmons was a visitor at the Thayer school Tuesday.
Fred Fry was a Northville caller Saturday.

More than twenty different provisions in the interests of workingmen and women and children have been added to the laws of Michigan during Governor Warner's term of office as governor and as state senator. Every one of the provisions received Mr. Warner's cordial approval and assistance. No man who has ever sought the support of the voters of Michigan has by his acts and his influence more honorably and fully earned their support.

"I do not believe the increased expenditure comes through extravagance of the legislature." This statement was made by the present democratic candidate for governor in January last. He made the statement as a member of the constitutional convention. If Mr. Hemans believed what he said, then his present course in denouncing recent republican administrations for extravagance is insincere and unworthy of a man who aspires to any honorable position. His present ambition, as the democratic candidate for governor, seems to base its only chance for fulfillment on having the people believe something which but a few months ago Mr. Hemans emphatically declared "he did not believe."

Granite Shower.

Mrs. Arthur Lamb gave a granite shower last Monday afternoon in honor of Miss Mettie Graham. About twenty of the friends and neighbors of Miss Graham were present and she was the recipient of a number of useful presents. Miss Mary Gray of Nebraska was present and rendered selections on the piano. A dainty lunch of ice cream and cake was served by the hostess.

Mrs. Lucinda Conroy has returned to her home at Urban Rest farm, after eight weeks caring for the sick, and is now at liberty to go to anyone who may need her services.

Laxative for Women Free

There is a great difference in the purposes to which a laxative should be put. Tablets and pills, salts, etc., are usually violent purgatives or cathartics, and altogether too powerful for the average person.
A woman at all times needs only a mild laxative—in fact, none other is needed by anyone, weak or strong, though they may be, for the object is simply to move the bowels, and if a gentle laxative will do it, what is the use of a violent one?

Dr. Caldwell's Syrup Pepsin has earned a well-deserved name among women and children and old folks—people who must necessarily be careful of what they take. It is a liquid laxative, tonic, and bowel remedy before the American people. The price is only 25 cents or 50 cents, as it comes in both sizes, and all druggists sell it. Its pleasant taste and gentle action make it an ideal remedy for women in constipation, torpid liver, sour stomach, sick headache, heartburn and such like digestive complaints. Its use for a short time will remove the trouble as surely as that future medication will be unnecessary. Its tonic properties build up the stomach and intestinal muscles so that they act naturally and freely. This is so in the experience of many heads of families. The Mrs. Brantley of Abbeville, Va.; Mrs. K. L. Stout, of Louisville, Ky.; and numerous others in fact, as well as the Williams, Cal., as Mrs. J. E. Blackmore, of that place, writes, the whole town seems to be using it.

If the remedy is new to you and you want to make a trial of it before buying, send your name to the doctor's address as below and a free trial bottle will be sent you. Then, if results are satisfactory you may buy it of your druggist.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. H. Caldwell, 50 Caldwell Bldg., Connecticut, Ill.
