Two Parked Cars Broken Into

Two cars parked on the Smith-Berling Ford agency lot were broken into sometime Thursday night. The act was reported to Farmington police officers at 10 a.m. Friday morning.

A rear seat cushion was taken from a new auto, apparently accidentally left unlocked. The window of another car was broken into in an attempt to enter. However, the opposite door of the car was also left unlocked.

Boys, 15 And 16, Found In Stolen Auto

The Sheriff's Department in Ann Arbor called Farmington City Police at 4:40 a.m. Friday to report apprehending two youths, one 15 and one 16, who had left the Boys Republic at Farmington and were in possession of a stolen car.

The car, a 1940 Ford, was the property of William F. Dowd of 21240 Ontago, Farmington. The loss of the car had not been reported to police officers.

According to police records, the car was stolen sometime between 9 and 10 p.m. August 11. Farmington Police Chief Joseph DoVriend stated that by leaving it open keys in automobiles, motorists help alert their own cars.

Chester, common ending for English town names, comes from the Roman word castrum meaning camp, since many were originally Roman camp sites.

North Farmington News

Mrs. Viola Shepard of Bell, Florida, came up to Michigan August 5 for a short visit with her son and daughter-in-law, Mr. and Mrs. Carl Shepard of 35912 Twelve Mile Road. She saw, for the first time, her grandson, David Arnold, who is eight months old. Also in Michigan at that time were Carl's aunt and uncle, Mr. and Mrs. Chip Bryant, also of Bell, Florida. They and Mr. and Mrs. Robert Warren of Farmington gathered at Carl and Betty's home on the evening of August 6. Mrs. Townsend is the daughter of Viola Shepard.

Mr. and Mrs. Harry Warren and their daughter, Patricia, who live in Alliance, Ohio, were weekend guests of Mr. and Mrs. Francis Szostek, 28410 Alcekey Road. Mrs. Warren is the sister of Margaret Szostek.

Mr. and Mrs. Henry Varian of Rolleston Street spent a wonderful two weeks vacation in a rented cabin at Gaylord, Michigan. They like the country there so well that they are planning to build a cabin of their own in the vicinity of Gaylord.

Mr. and Mrs. Walter Lake, 28760 Alcekey Road, were pleasantly surprised last week with a visit from Mrs. Lake's sister and brother-in-law, Mr. and Mrs. Sam Bennett of Baltimore, Maryland. They were accompanied by Mr. and Mrs. Ferd Pittenger, who also reside in Baltimore. Ferd is Mrs. Lake's nephew.

Although the weather proved to be too hot to make any tours of Michigan, the visitors had a wonderful time. On Saturday, the thirteenth, the Lake's daughter, Shirley, and her husband, Richard Miller, drove down from Lansing to attend the wedding of Don Prior of Farmington. Richard has been going to Michigan State College in Lansing.

Little Miss Bonnie Wolf attended the Cadillac Motors' annual picnic on Saturday, August 13, with her uncle, Harvey Puert of Detroit. Bonnie is the daughter of Mr. and Mrs. Gerald Wolf of Farmington Road. This year, the picnic was held at Edgewater Park in Detroit. All the concessions were there, and so were the hot dogs, ginger ale, ice cream, etc. There was everything, in fact, to make the day absolutely perfect for Bonnie. The adults were included in the fun too.

Mr. and Mrs. Gerald Schmidt and daughter of Pontiac, Miss Patricia Black, 32014 Fourteen Mile Road, and Lee Kaercher-Reynolds attended the Kaercher-Reynolds reunion on Sunday, August 14. The reunion was held at Yale Park, Yale, Michigan. It was an all-day affair with a potluck dinner. Lee King, who has at times sung on the radio in Plymouth, entertained the group with a few songs. He accompanied himself on his guitar.

Falls Asleep At Wheel; Strikes Utility Pole

Robert H. Smith, 30, a truck driver from Lansing, escaped serious injury Saturday when, according to Farmington Police reports, he fell asleep at the wheel of his car, lost control, and collided with a utility pole.

A passenger in the car, also from Lansing, escaped injury. The left side of the vehicle, a 1938 Buick, was damaged. The accident occurred on Grand River, near Maple.

Police ticketed Smith for reckless driving.

If the difference between huckleberries and blueberries confuses you, here is a tip from Elizabeth Roniger, home economics extension leader at MSC: Blueberries are usually larger and tatter than huckleberries. Blueberries have smaller seeds and the color of both kinds of berries ranges from blue to purple-black.

Want Applications For "Peach Queen"

The 16th Annual Michigan Peach Festival is set for Saturday, Sunday and Monday, September 3, 4 and 5.

The "Peach Queen", who will reign over the three-day celebration will be chosen Friday, August 19 at the Romeo High School Auditorium.

Eleven girls, representing five counties (Macomb, Lapeer, Genesee, St. Clair and Oakland) are eligible to compete for the title this year.

On Saturday, September 3, the Mummie Parade is scheduled. Groups of individuals interested in participating in this comic and unusual event can file application for entry, personally or by mail, with Dr. Cotton of Romeo.

The Floral Parade, one of the most colorful attractions of the festival, is scheduled at 2 p.m. on Monday (Labor Day), September 5. Anyone interested in entering a float in the floral parade can make application for entry by contacting Robert Plumb of Romeo.

In selecting cantaloupes, give attention to the scar at the stem end of the fruit. It should be slightly sunken, smooth and well outlined, say food specialists at Michigan State College. The vein-like netting should be full and rounded. If the melon is well ripened, the netting will be coarse.
