### Hunting Licenses Available September 15

Michigan's 3,700 hunting license agents will have a stock of licenses for the coming hunting season by September 15, the conservation department reports. Application blanks for the special antlerless deer license also will be distributed with first license shipments to dealers since the applications must be returned to the department's general operations division by October 10. No hunting season opens before October 1.

License fees are the same as in 1948: \$2 for small game hunting and \$3.50 for deer hunting by residents; \$15 for small game and \$25 for deer hunting by nonresidents, with nonresident archers paying a \$10 rate. Trapping licenses are \$2. Over a million hunting and trapping licenses were issued last year. In addition to the Michigan license, hunters of ducks and geese must purchase, attach and cancel with a signature a federal migratory waterfowl stamp. Stamps can be purchased only at the post office.

### Hunters Can "Zero" Rifles At Pontiac

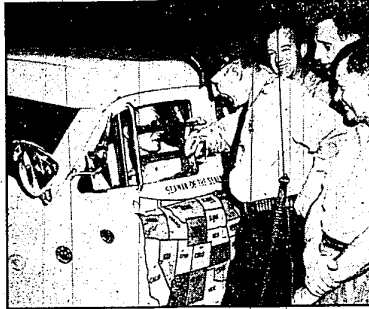

Hunters can "sight in" their rifles earlier this year with the conservation department opening the target range in the Pontiac Lake recreation area on week ends until October 1. From October 1 to November 15 the target range will be open daily.

The range was opened last year for the first time and was primarily used by deer hunters, although all hunters are invited to use the facility. Forest fire officer Marvin Hartwig is in charge of the range.

### North Farmington News

By MARGARET BLACK  
31225 Farmington Rd., LO5-3013

North Farmington is rather dead this week. Everyone seems to be either canning or away on vacation.

Those who are left, however, will welcome back the George Schmidts, who have just returned to the neighborhood. The Schmidts lived on Fourteen Mile Road before moving to Fowlerville, Michigan. Now they have taken a house on Orchard Lake Road next to Cole's Market.

Mrs. Harry O. Ortwein, 29725 Farmington Road, is spending a month's vacation in Sebewaing, Michigan.

The Ed Dickie's left Friday, August 19, for Drummond Island, which is over the straits in upper Michigan. They plan to return on the third of September in time for daughter Sue to return to

Farmington High. She is in the tenth grade this year. Friends and relatives of Dolores Garvey celebrated her marriage to James Troxell at a reception held the August 13 at the home of her mother and stepfather, Mr. and Mrs. John Green of Orchard Lake Road. Dolores and James were married in Ohio on July 23.

Neighbors of Mrs. Bert H. Clark turned out in their prettiest rags Thursday, August 18, when they attended her "Hard Times" Stanley Hostess Party. The eighteen people who came drank coffee, ate home-made coffee cake and played games for Stanley prizes. Stanley demonstrator for her party was Persis Heinz of Dearborn.

Mr. and Mrs. Elton Hughes of Battle Creek spent Sunday with Elton's parents, Mr. and Mrs. Arthur Hughes of Fourteen Mile.

Mr. and Mrs. Chester Downing of Middlebelt Road recently returned from their trip to Canada. They took a Canadian Pacific steamship from Port McNichol, a

cross the north channel of Lake Huron to Port Arthur, Ontario. They were accompanied by their guests, Mr. and Mrs. B. M. Borsh of Columbus, Ohio, and Mr. and Mrs. John Scott of Cleveland, Ohio. While the Downings were away their daughter, Jane, stayed with her aunt and uncle.

Well drillers had to go down a record 1,050 feet to bring in a fresh water supply at Blaney Park resort, the conservation department's zoological survey reports.
