Where Do We Begin!???

Course now we could put a chip off the "ole pine tree" - what the boys at the Farmington Blah sez aint no pine tree at all - and go pick a feud with 'em - but they're kinda nice boys and we aint hankerin' after no trouble - but it wouldn't have meant nothin' if we'd said somethin' about the maple tree. Once there was a pine tree there what we cut down but that was yars ago. But even if we don't know our trees we knows our groceries and we figure with school about to start now would be a good time fer yuh to stach away a few cans of soup fer a quickie lunch - so here's that bunch of crackpots at Conroy's waitin' to sell yuh 3 cans of Campbells tomato zoop fer 29c. Also in the Campbells stuff we're gonna have a knockdown and drag 'em out price on their tomato juice in the big cans. Fer 49c you can get yerself 2 cans. When you come in the door turn left and you'll find the soup and the juice is jest around the corner on the bottom shelf.

Say, Mister - we didn't steal them chickens - they jest followed us in here - so we jest up and fixed 'em fer yuh. They are some of the bestest chickens we've seen fer ages. They're young stuff and you can fry 'em - but they're big enuf so's yuh can roast 'em if you wanna. Now fer 49c a lb. you can have the neighbors in fer chicken dinner. If they don't like chicken - give 'em ham. We've got some picnic hams what average 4 to 6 lbs. fer 45c a lb. Have we mentioned pork sausage lately? We haven't!! We must be slip-pin'. Well slip right in and git yerself some fer 35c a lb. It makes mighty good stuffin' fer them little pepper squash. Or do you call 'em acorn squash? Either way we got the squashes 2 fer 19c. If you'd rather have butter on 'em, it's 69c a lb.

We've grabbed off some of the swellest cheese you ever et. If we tell yuh it's Pinconning, cheese we don't need to say no more - only it's 79c a lb. Then Kraft has got some glasses of cheese spreads here at 2/99c. Even if the cheese aint so hot the glasses are awful cute. Speakin' of cute stuff - we got some cute little eggs here. They told us they were strictly fresh. Cause they're small they're only 59c a dozen - and cause they're small you wanna take a lot - take two - will two do?
