There is a hustle and a bustle down Edgemoor "Street" way the like of which Forest Hills has not seen in many a moon! The enthusiasm of the Cousins family extends down to their smallest child. It is refreshing to see such wholehearted interest of the whole family in a project of such worthy purpose as building a home. That reminds me — I'd better get busy and rake up my yard soon.

"Hill" from above is what we got on Wednesday, August 31. Some were the size of garden peas. Perhaps it was a warning to start cleaning out the furnace and get busy and set up the heating stoves. The next day it was "September morn" and a very shivery one at that!

Walter Masterson and Bobby Doerr, who are members of the traveling team of the Boston Red Sox, stopped in to chat with Jimmy and Ruth Johnson of 31500 Northwestern on Wednesday, August 31.
